DEAR FRIENDS:

Welcome! I hope you will find the *Directory of Montana Schools for 2010-2011* useful during this school year.

The directory will assist you by providing contact information for:

- Montana's School Districts
- OPI Staff
- Education Associations
- Board of Public Education
- Higher Education
- County Treasurers and Superintendents

We strive to make current information about Montana's K-12 public schools available to educators and to the public. In addition to the directory, the Office of Public Instruction's new Web site, www.opi.mt.gov, provides many resources such as reports and documents, state and national educational news, a calendar of upcoming educational events and links to the OPI programs. Segments of this directory are also available on our Web site in downloadable electronic form.

Sincerely,

Denise Juneau

STATE BOARD GOVERNANCE

Structure & Membership

The **Montana State Board of Education** is a constitutionally mandated board comprised of the members of the Board of Regents and the Board of Public Education. It is responsible for long-range planning, for coordinating and evaluating policies, and programs for the state's educational systems. The Superintendent of Public Instruction is an ex-officio member of each component Board.

The **Board of Public Education** was created by the Montana Constitution of 1972 to exercise general supervision over the elementary and secondary schools of the state. The Board consists of seven members appointed by the Governor and confirmed by the Senate to staggered sever-year terms. By statute, the Governor must appoint members to the Board so that not more than four may be from one of the two commission districts and not more than four may be affiliated with the same political party. The Governor, Superintendent of Public Instruction, and Commissioner of Higher Education serve as ex-officio, non-voting members of the Board.

The **Board of Regents** of higher education is responsible for the governance and control of the Montana University System (MUS). It shall have full power, responsibility, and authority to supervise, coordinate, manage and control the MUS and shall supervise and coordinate other public educational institutions assigned by law. The Board consists of seven members appointed by the Governor, and confirmed by the Senate, to overlapping terms, as provided by law. The Governor and Superintendent of Public Instruction are ex-officio non-voting members of the Board.
