Instructions:

1. Complete Sections I and II.
2. Determine the correct Special Tuition Rate and complete one of Sections III, Option A, B or C or Section IV.
3. Enter the Special Rate from lines 11, 24, 29, or 42 into Section IV of the FP-14 Student Attendance Agreement.

Notes:

- Maximum Regular Education Tuition Rate is 20% of the per-student entitlement under [20-9-306, MCA](#) for the year of attendance.
- Actual costs under option B include costs of service unique to the student, including specialized one-on-one staff, equipment and supplies. It does not include ordinary special education services, such as teacher salaries and benefits and commonly used special education equipment.
- Option C requires approval from the OPI. Submit program description and complete budget for approval.
