

DID YOU KNOW?

1 *in* **5**

kids live with dyslexia.

Montana, it's time to
flip the script on dyslexia.

ReThink
Dyslexia
M O N T A N A

Early Screening. Early Support. Early Success.

Early screening leads to better chances for success down the road.

Thanks to the Montana Dyslexia Screening and Intervention Act, Montana schools are now required to screen students for dyslexia if they perform below the benchmark on literacy assessments.

For more information, contact your local school or visit **opi.mt.gov**
