

SIG Data Report

Schools Included

Frazer High School

Lame Deer High School

Lodge Grass High School

Plenty Coups High School

In collaboration with each local school, SIG resources and implementation efforts began during the 2010 – 2011 school year. More information about this work can be found at

<http://www.opi.mt.gov/Programs/Promise/index.html>

The data only includes students that were enrolled at the same school for the time from October – March during that respective school year. Special Education students are included within the data.

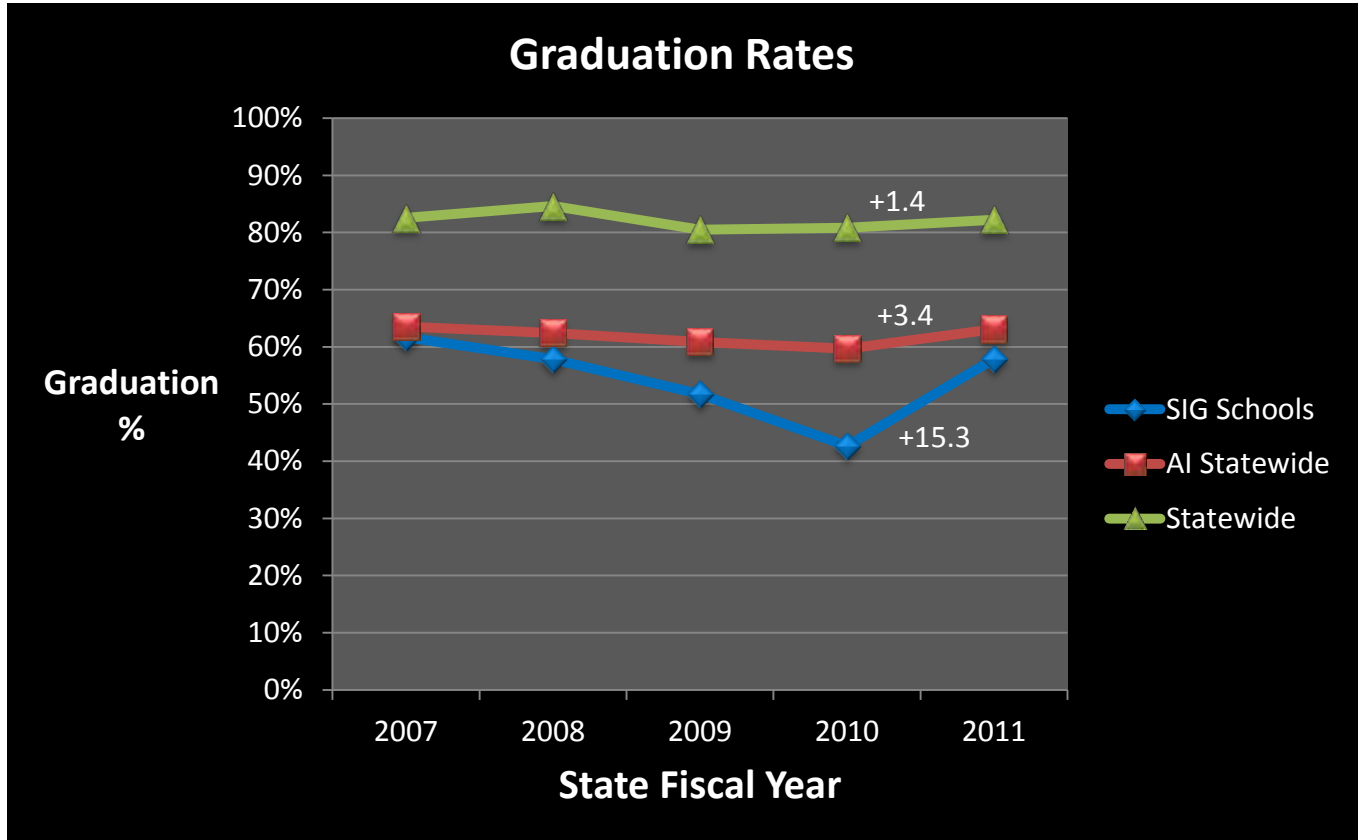

SIG – School Improvement Grant

AI – American Indian

* Some data values are masked since cell count totals are 5 or less. They are masked to protect the individual identities of the students.
