

Dear Administrators:

The Office of Public Instruction Special Education Division is pleased to announce the availability of the Quaglia School Voice Surveys. They are now open for your use in your schools.

If you had prior accounts, those are all intact and waiting for you to log in. Your accounts will have all of your stored information, with access to prior data. If you have troubles accessing an established account, please contact Quaglia technical support at: support@quagliainstitute.org.

If you are new to the system, you will be prompted to setting up a new account by clicking: <https://surveys.quagliainstitute.org/iknowmyclass/register.do?loc=US>

It is recommended that you use *Firefox* or *Chrome* for a better interface with the software.

If you have any general questions, you can contact me at ayoung3@mt.gov or 406-444-0299.

Regards,
Annette Young
Interim SPDG Director
CSPD Specialist and Professional Development Coordinator
