

Nita M. Lowey 21st Century Community Learning Center's (21st CCLC) Online Professional Development Resources

In response to COVID-19 program shutdown, the Office of Public Instruction (OPI) has developed a list of recommended websites and webinars to provide programs with ongoing professional development. All websites and webinars are free. Within each website, there are many different resources available for professional development. The OPI has listed a few webinars that are relevant to 21st CCLC programs. The list below is only a recommendation and is not required by any 21st CCLC program.
