

Welding Training for CTE Teachers!

Welding 111 & 185 Training June 11-14

Training will allow eligible teachers to earn an AWS Certification, potentially teach WLDG 111&185 at their high school for college and high school credit, , and allow their future students to receive AWS Certification before they graduate high school. Workshop includes paid lodging and per diem + mileage reimbursement Tuition cost \$180 in-district and \$220 out-of-district (Flathead and Lincoln County are considered in-district).
