TRAFFIC EDUCATION PRESENTATION

Student: _____ **Teacher:** _____

Presentation Topic: _____

Grade: _____ **Date scheduled:** _____ **Date given:** _____

Sign up for a topic and the day you want to give your traffic safety presentation. Each topic can be selected only once to avoid duplicate presentations. Two presentations may be scheduled each class day. If there are already two presentations on the calendar, find a different date.

Choose a topic and prepare a 2-5-minute presentation that includes visuals (safety posters, video, props, etc.).

Review the evaluation guidelines below. To get the highest grade for the presentation, plan your presentation to meet the criteria for Level 4.
