1. A Bachelor’s Degree from a regionally accredited college or university.
2. A Plan of Study from an accredited professional educator preparation program verifying the applicant can meet the requirements for full licensure within three (3) years and the applicant meets the program’s admission requirement.

Important Considerations:

- Applications will not be evaluated until a Plan of Study for an educator preparation program has been submitted to OPI by the college or university with which the applicant will be completing the program.

You must complete the requirements for full licensure within the term of this provisional license in order to be upgraded to full licensure.
