

Montana School Nutrition Programs
Notice of Proposed Summer Food Service Program Regulation Waiver Request

The OPI School Nutrition Programs submitted a waiver to the USDA Mountain Plains Regional Office (MPRO) for the program requirements listed below (1-4). For more information, please contact Christine Emerson at cemerson@mt.gov.

First Week Site Visits

We are requesting the discretion to waive the first week site visit requirements for sites that have operated successfully in the previous year, for SFA sponsors in good standing, and for CACFP sponsors in good standing.

7 CFR 225.15(d)(2) Sponsors shall visit each of their sites at least once during the first week of operation under the Program and shall promptly take such actions as are necessary to correct any deficiencies.

Offer Versus Serve:

We are requesting a waiver to extend Offer Versus Serve to non-school food authority sponsors and to allow OVS with use of both the NSLP and SFSP meal patterns.

Section 13(f)(7) of the NSLA OFFER VERSUS SERVE.—A school food authority participating as a service institution may permit a child to refuse one or more items of a meal that the child does not intend to consume, under rules that the school uses for school meals programs. A refusal of an offered food item shall not affect the amount of payments made under this section to a school for the meal.

42 USC 1761(f)(7) OFFER VERSUS SERVE.—A school food authority participating as a service institution may permit a child to refuse one or more items of a meal that the child does not intend to consume, under rules that the school uses for school meals programs. A refusal of an offered food item shall not affect the amount of payments made under this section to a school for the meal.

7 CFR 225.16(f)(1)(ii) Offer versus serve. School food authorities that are Program sponsors may permit a child to refuse one or more items that the child does not intend to eat. The school food authority must apply this “offer versus serve” option under the rules followed for the National School Lunch Program, as described in part 210 of this chapter. The reimbursements to school food authorities for Program meals served under the “offer versus serve” must not be reduced because children choose not to take all components of the meals that are offered.

Meal Time Restrictions:

We are requesting to waive the meal time restriction on the amount of time that must elapse between meal services, the time restrictions associated with supper, and the amount of time limited for each meal/snack service.

7 CFR 225.16(c)(1) Three hours must elapse between the beginning of one meal service, including snacks, and the beginning of another, except that 4 hours must elapse between the service of a lunch and supper when no snack is served between lunch and supper. The service of supper shall begin no later than 7 p.m., unless the State agency has granted a waiver of this requirement due to extenuating circumstances. These waivers shall be granted only when the State agency and the sponsor ensure that special arrangements shall be made to monitor these sites. In no case may the service of supper extend beyond 8 p.m. The time restrictions in this paragraph shall not apply to residential camps.

7 CFR 225.16(c)(2) The duration of the meal service shall be limited to two hours for lunch or supper and one hour for all other meals.

Use of Area Eligibility with Closed, Enrolled Sites:

We are requesting a waiver to extend the use of area eligibility to closed enrolled sites operating in needy areas where 50% or more of the children residing in the area are eligible for free and reduced price meals under the National School Lunch Program and School Breakfast Program, thereby waiving the requirement that individual eligibility determinations be made by submitting applications.

Section 13(a)(1)(A)(i)(III) of the NSLA an area— (aa) for which the program food service site documents the eligibility of enrolled children through the collection of income eligibility statements from the families of enrolled children or other means; and (bb) at least 50 percent of the children enrolled at the program food service site meet the income standards for free or reduced price school meals under this Act and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.);

42 USC 1761(a)(1)(A)(i)(III) an area— (aa) for which the program food service site documents the eligibility of enrolled children through the collection of income eligibility statements from the families of enrolled children or other means; and (bb) at least 50 percent of the children enrolled at the program food service site meet the income standards for free or reduced price school meals under this chapter and the Child Nutrition Act of 1966 (42 U.S.C. 1771 et seq.);

7 CFR 225.15(f) Application for free Program meals—(1) Purpose of application form. The application is used to determine the eligibility of children attending camps and the eligibility of sites that are not open sites as defined in paragraph (a) of the definition of “areas in which poor economic conditions exist”, in §225.2. In these situations, parents or guardians of children enrolled in camps or these other sites must be given application forms to provide information described in paragraph (f)(2) or (f)(3) of this section, as applicable. Applications are not necessary if other information sources are available and can be used to determine eligibility of individual children in camps or sites.
