# Agenda

- ACT: Who are we?
- What is the PreACT, and how will it help my students?
- How should I prepare to administer PreACT?
- Where can I find PreACT information?

# Guiding Questions

- What does the PreACT do, and how does it compare to the ACT?
- How can you use PreACT results to guide students towards career and college choices and ACT prep?
- How can the PreACT help students/families prepare for the ACT and for career/college planning?
- What insights can you share with your counselors/teachers/administrators from PreACT results?
- What Montana-specific resources can I access?

## ACT: Who Are We?

ACT is a mission-driven, nonprofit organization dedicated to helping people achieve education and workplace success. Headquartered in Iowa City, Iowa, ACT is trusted as a national leader in college and career readiness, providing high-quality assessments grounded in nearly 60 years of research. ACT offers a uniquely integrated set of solutions designed to provide personalized insights that help individuals succeed from elementary school through career.

# What is the PreACT?

**PreACT: a shortened but complete mirror of The ACT**

## **The PreACT:**

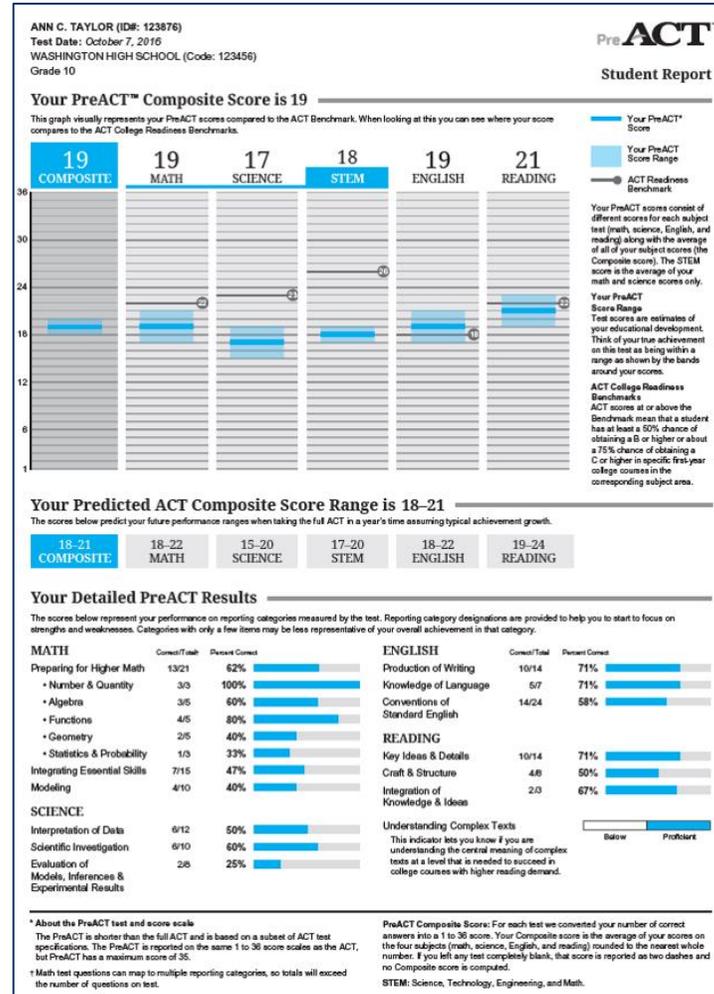

- ✓ Covers skills tested on the ACT (except Writing)
- ✓ Provides a PreACT Score (shows student knowledge in English, Math, Reading, Science)
- ✓ Provides a predicted ACT score range (planning practice for future ACT tests)
- ✓ Allows students to practice in a simulated ACT test environment
- ✓ Low-stakes and flexible administration

# What does Pre-ACT score reporting look like?

- PreACT score (1-35 score range)
- Predicted ACT score ranges on the ACT 1-36 scale
- PreACT reporting category scores
  
- College and career planning results, including Interest-Career Fit
  
- STEM and text complexity scores
  
- Student level Item Response and correct answers
  - Student answer booklet

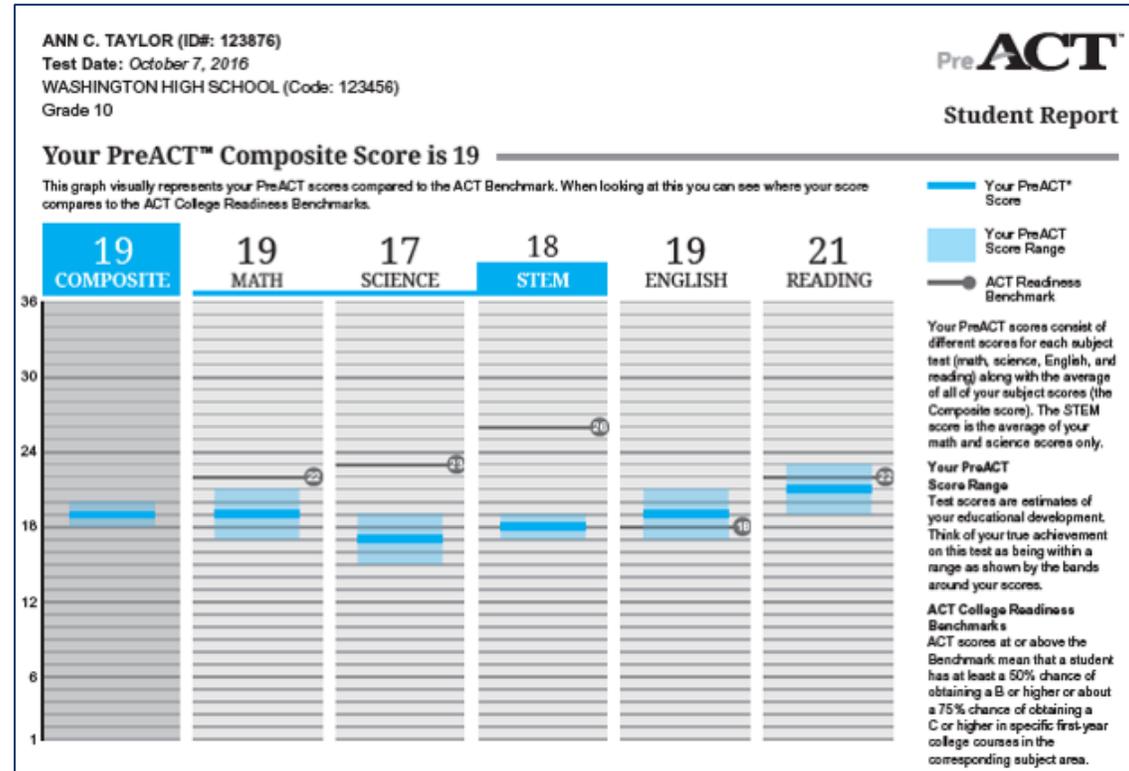

# A PRACTICE ACT<sup>®</sup> TEST EXPERIENCE

The PreACT™ offers 10<sup>th</sup> graders the opportunity to practice for the ACT® test with a shortened version of the test.

## A PRACTICE ACT® TEST EXPERIENCE

The PreACT is a multiple-choice assessment that predicts future success on the ACT test and reports current achievement on the familiar 1-36 ACT score scale.

## Your High School Course Plans Compared to Core

A college-preparatory core curriculum refers to students taking 4 years of English and 3 years each of math, social studies, and science.

## Your Education and Career Journey

The Career Map shows 26 Career Areas (groups of similar occupations) according to their basic work tasks: working with People, Things, Data, and Ideas. The Career Map is divided into 12 regions. Each region has its own unique mix of work tasks. For example, Career Area P (Natural Science & Technologies) mostly involves working with Ideas and Things. What do you think Career Area C involves?

### Your Interests

Your interest inventory results are shown on the Career Map. The shaded regions show the kinds of work tasks you prefer and the Career Areas you may like. Visit [www.actprofile.org](http://www.actprofile.org) to find out more about occupations in these Career Areas.

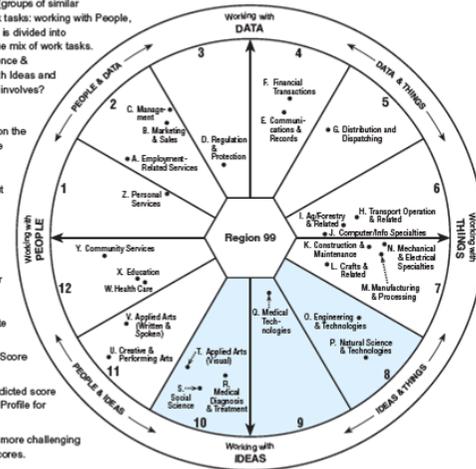

### On Track?

Your Predicted ACT Composite Score range: 19-21

Profile for Success: You told us you prefer Career Area C: Management. Successful college students in majors related to this Career Area often have an ACT Composite Score in the range of 21-25.

Compare your Predicted ACT Composite Score range to your Profile for Success.

- You're on track for success if your predicted score range overlaps with, or is above, your Profile for Success score range.
- Improving your study skills and taking more challenging courses may help you improve your scores.

## Your Interest-Career Fit

Do your interests fit the Career Area you prefer? You told us:

Management

We compared your Career Area to your interest inventory results. You are somewhat interested in the kinds of work done in this Career Area. Workers are often more satisfied when their interests fit the kinds of work they do.

## Step-by-Step Guide

### Step-by-Step PreACT Administration Guide

#### Order

GOAL: ENSURE THAT NEEDED TESTING MATERIALS ARRIVE AT LEAST ONE WEEK BEFORE TESTING.

1. Select test date.
2. Set up account, if needed, and sign into the online ordering system.
3. Select the PreACT National program, unless your state or district contract is specifically listed.
4. Choose the number of testing materials you need, including accommodations.

See Ordering Quick Start Guide for more information, if needed.

#### Prepare

GOAL: BUILD TEST AWARENESS, PLAN TEST DAY LOGISTICS, AND TRAIN TESTING STAFF.

1. Communicate with students, parents, and staff, using the provided overview PowerPoint presentation.
2. Secure testing rooms and plan seating arrangements.
3. Select and train room supervisors and proctors, using the provided training PowerPoint presentation. Include plans for accommodated testing, if needed.

See Administration Manual for more information about testing room set-up and testing staff requirements.

#### Administer

GOAL: ENSURE A COMMON TESTING EXPERIENCE FOR ALL STUDENTS.

1. Distribute test materials and provide instructions.
2. Time the test.
3. Monitor the testing rooms.
4. Document any testing irregularities.
5. Check answer folders.
6. Count answer folders and test booklets before dismissing students.
7. Return all materials to the test coordinator.

See Administration Manual for more details on administering the PreACT.

#### Receive and Check

GOAL: CONFIRM ALL MATERIALS ARRIVED AND SECURE THEM UNTIL TEST DAY.

1. Within 24 hours of receipt, check your shipment against the packing list.
2. Call ACT if materials are damaged or missing.
3. Secure the testing materials prior to administration.

See Administration Manual for more guidance on securing materials.

#### Return

GOAL: RETURN ANSWER FOLDERS AND ASSOCIATED MATERIALS THE DAY AFTER TESTING.

1. Complete the School Header.
2. Place School Header, any irregularity reports (with associated answer folders) and comment forms, followed by all answer folders into white Tyvek scoring service envelopes.
3. If more than one, label each one 1 of 3, 2 of 3, etc. in permanent marker.
4. Place the Tyvek envelopes into the prepaid, preaddressed plastic polymailer(s). Label the outside of each.
5. Ship polymailer(s) and packages of unused test materials via FedEx.
6. Securely store unused test booklets to be returned with their score reports.

See Administration Manual for more information, if needed.
