

State/District/School Report Card Review

Log onto: <http://opi.mt.gov/Leadership/Academic-Success/Every-Student-Succeeds-Act-ESSA/Report-Card>

Using your District or School Report Card, answer the following questions:

Report Card Component	Questions	Answers
Accountability	How is your school performing on the indicators in the State's system and is your school identified for improvement and support?	
Student Achievement	Which students are performing well, and which are not? In which subjects and grade are students doing well?	
School Completion Rates (HS only)	What is your school's graduation rates of all students and of each subgroup of students who receive a regular diploma within four years? What is the rate of postsecondary enrollment?	
School Environment	What does the school environment data tell you about the school's culture and climate or what questions does it raise?	
Teacher and Staff Information	What does the teacher qualification data tell you about your school's educators?	
5th Indicator: Attendance, CCR, STEM, & School Climate	Does your school have a high percentage of students who regularly attend school?	
Fiscal and Expenditure Data	What is your prediction for how much money was spent per student for your school? What % of money do you think comes from federal sources and how much money comes from State and local sources?
