Your child will receive instruction in our school district's English Learner Services that are paid for with money from Title I or Title III of the education law called the Elementary and Secondary Education Act (ESEA) as amended 2015. Sometimes these services are paid for by both Title I and Title III.

You completed a home language survey and marked that your child speaks a language other than English. Because your child speaks a language other than English, we gave your child an English proficiency test. Based on the results of this test your child is eligible to receive English Learner Services. Placement in the English learner services that best meet your child's needs is based on (1) the results from this test, (2) how well your child is doing in school, and (3) other educational information about your child. The English Learner Services chosen are designed to help your child learn English so that your child will be able to meet academic standards, succeed in school, and graduate from high school. The expected rate of transition out of English learner services is \_\_\_\_\_ (number of years). The high school graduation rate for students receiving English Learner Services is \_\_\_\_\_. If your child has a disability and an Individualized Education Program (IEP), improvement in your child's ability to listen, speak, read, and write in English will help meet the goals of the IEP.
