

ACCESS for ELLs Training

Jacob Barto will hold a 1-hour session to discuss the processes and tools for screening and identifying English learners this school year in both face-to-face and remote learning environments.

This focused webinar is designed to support educational practitioners such as district and school-level personnel involved in local assessment and accountability determinations and local data-driven decision-making actions and/or continuous improvement processes. If you are a Superintendent, Principal, System Test Coordinator, Curriculum Director, Data Specialist, K–12 Educator, or school building staff this session may be of interest to you.

Once every month on Wednesday at 3:30 pm throughout the 2020–2021 school year.

Mark the calendar: [Wednesday, September 16, 2020]

Save the time: [3:30 p.m. – 4:30 p.m.]

The Assessment Team is inviting educational practitioners to learn more about balanced assessments systems and strategies for implementing high-quality local assessment/data literacy practices including creating local cultures and climates around data-driven decision-making. A total of 11 webinars will be offered during the 2020–2021 school year from August 2020 to June 2021. **This focused webinar will meet the following objectives:**

- Montana's English Learner Guidance 2020-2021;
- English Learner Identification;
- WIDA Screeners and Best Practices;
- Key Dates and Deadlines;
- Open Forum for Questions/Clarifications.

The purpose of this focused webinar is to ensure that you have clear guidance on screening and identifying English Learners. This is a great opportunity for you to familiarize yourself with WIDA resources and tools in preparation for ACCESS testing in the winter.
