Assign a 1 if: Many common errors are present; driver needs a lot of verbal or technical support from the supervisor; driver was unfocused, took risks on purpose, or demonstrated disregard for safety.

Assign a 2 if: Beginning to show goal performance without errors. Starting to need less verbal reminders from supervisor.

Assign a 3 if: Needs less verbal reminders from supervisor. Rarely demonstrates common errors and usually demonstrates signs the learner gets it. Drives cautiously and focused.

Assign a 4 if: Consistently performs driving goals without errors under supervision. Supervisor did not need to provide verbal instructions or support.

*For a list of goals, refer to the [Goal Guide](#). **Please note:** Some practice drives will not have a particular goal. Be sure to log those drives as well.
