Montana High School Equivalency Testing Program 17 & 18 Year-Old Eligibility Form

Applicants 17 & 18 years of age are eligible to take the High School Equivalency (HSE) test provided one of the following documents is presented to the official HSE testing center prior to testing.
(Please check the appropriate circle.)

- An original, official school document that clearly identifies the candidate by name, date of birth, the last school enrollment date and is signed by the chief education officer verifying that the candidate has been advised of in-school and alternative educational options.

Or

- A written referral from the facility director or authorized agent of the facility (e.g. probation officer) of a Montana-based Job Corps center, correctional facility, state-authorized group home, or treatment center.

Or

- A letter from the chief education officer or county superintendent in which the candidate resides documenting that the candidate is not now nor previously been enrolled in high school, and has been advised of in-school and alternative education options.
