Montana Students Selected for United States Senate Youth Program **-- Students Headed to Washington, D. C. and to Receive \$10,000 Scholarship --**

January 11, 2017, Washington, D.C. — Senators Jon Tester and Steve Daines today announced the names of the two students who have been selected as delegates to the 55th annual United States Senate Youth Program (USSYP) that will be held March 4 — 11, 2017 in Washington, D.C. Mr. Mason Chase Hutchinson of Glendive and Ms. Allison Grace Reinhardt of Bozeman were chosen from across the state to be part of the group of 104 student delegates who will attend the program's 55th annual Washington Week.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen, and Humphrey, the impetus for the program as stated in Senate testimony is "to increase young Americans' understanding of the interrelationships of the three branches of government, learn the caliber and responsibilities of federally elected and appointed officials, and emphasize the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program brings 104 of the most outstanding high school students — two from each state, the District of Columbia, and the Department of Defense Education Activity — to Washington, D.C., for an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each student with a \$10,000 undergraduate college scholarship with encouragement to continue coursework in government, history, and public affairs. Transportation and all expenses for Washington Week are also provided by The Hearst Foundations; as stipulated in S.Res.324, no government funds are utilized.

Mason Hutchinson, of Glendive, attends Dawson County High School and serves as the Montana District Governor of Key Club International. Mason is also an accredited news media representative of the Montana Newspaper Association, has volunteered over 500 hours of community service, and is a program instructor at Boys and Girls Club of America. He is also a singer, actor, and portrait photographer. Mason competes in Impromptu Speaking, and has placed twice at Forensics State. He plans to pursue either journalism or political science at the University of Montana next fall.

Allison Reinhardt attends Bozeman High School and serves as the Student Body secretary/treasurer and the president of the District IV Montana Association of Student Councils. Allison is a member of the National Honor Society, serves on the executive board for Speak Out, is the captain of her school cross country team, and an American Red Cross student coordinator. She has been an officer in Student Council for four years, participates on her church's mission team, and is an AP Scholar. She has a passion for education and a desire to serve others locally, regionally, and nationally. Allison hopes to major in engineering at Montana State University.

Chosen as alternates to the 2017 program were Katelyn Alley, a resident of Butte, who attends Butte High School and Ian Caltabiano, a resident of Whitefish, who attends Whitefish High School.

Delegates and alternates are selected by the state departments of education nationwide and the District of Columbia and Department of Defense Education Activity. The Chief State School Officer for each jurisdiction confirms the final selection. The 2017's Montana delegates and alternates were designated by Ms. Denise Juneau, Superintendent of Public Instruction, in December 2016.

While in Washington the student delegates attend meetings and briefings with senators, members of the House of Representatives, Congressional staff, the president, a justice of the Supreme Court, leaders of cabinet agencies, an ambassador to the United States, and senior members of the national media. The students will also tour many of the national monuments and several museums, and they will stay at the historic Mayflower Hotel in downtown Washington, D.C.

In addition to outstanding leadership abilities and a strong commitment to volunteer work, the student delegates rank academically in the top one percent of their states among high school juniors and seniors. Now more than 5,500 strong, alumni of the program continue to excel and develop impressive qualities that are often directed toward public service. Among the many distinguished alumni are Senator Susan Collins, the first delegate to be elected to the Senate; Senator Cory Gardner, the first delegate to be elected to the U.S. House of Representatives, and the second to be elected to the Senate; former Chief Judge Robert Henry, U.S. Court of Appeals for the Tenth Circuit; former Ambassador to West Germany Richard Burt, and former presidential advisors Thomas "Mack" McLarty and Karl Rove. Additional notables include Governor of New Jersey Chris Christie, former Lt. Governor of Idaho David Leroy, former President of the Progressive Policy Institute Robert Shapiro, military officers, members of state legislatures, Foreign Service officers, top congressional staff, healthcare providers, and university educators.

Members of the U. S. Senate Youth Program 2017 annual Senate Advisory Committee are: Senator Roger F. Wicker of Mississippi, Republican Co-Chair; Senator Heidi Heitkamp of North Dakota, Democratic Co-Chair; Bipartisan Senate Advisory Members: Senators Bill Cassidy MD (R-LA), Joni K. Ernst (R-IA), James M. Inhofe (R-OK), Pat Roberts (R-KS), Kirsten Gillibrand (D-NY), Tim Kaine (D-VA), Christopher S. Murphy (D-CT) and Jon Tester (D-MT). Each year, the Honorary Co-Chairs of the program are the vice president of the United States and the Senate majority and minority leaders.
