

— Fall 2015 —

School Nutrition Workshop

Join the School Nutrition Program Specialists for the Fall 2015 Workshop located in your region! Our administrative and food service management workshops are combined this year as we recognize that it takes strong involvement between Clerks and Food Service Directors to ensure a successful School Nutrition Program. To make this workshop most useful, we strongly encourage all clerks, determining officials, and food service directors to attend.

Topics Covered:

- Free & Reduced Benefits (including the new Direct Certification Application),
- Budgeting,
- Meal Pattern Basics,
- Required Documentation,
- General Program Operation Requirements,
- Verification,
- AND much more!

School Nutrition Program Employees: This workshop will credit towards your required Professional Standards training hours.
