Summary of Student's Academic Achievement and Functional Performance:		
Carlos has met the graduation requirements necessary to graduate from OPI High. Through hard work and dedication Carlos was able to pass math and communication arts classes to graduate. He currently finished his last semester with 6 credits and a GPA of 2.85. Carlos had good attendance this year. The military is a good option for him. He needs structure and motivation in order to succeed.		
Recommendations for Meeting Postsecondary Goals:		
Carlos, work with a military recruiter so you can pass the ASVAB test which is necessary to join the military branch of your choice. Work hard so you can follow your dreams. You will be able to receive training and other experiences while enlisted. Stay focused on your goal. Until then continue to live with your parents and work at the local gym. Make good use of your great personality and charm to achieve your goals. Good luck to you Carlos.
