

AIM QUICK FIXES

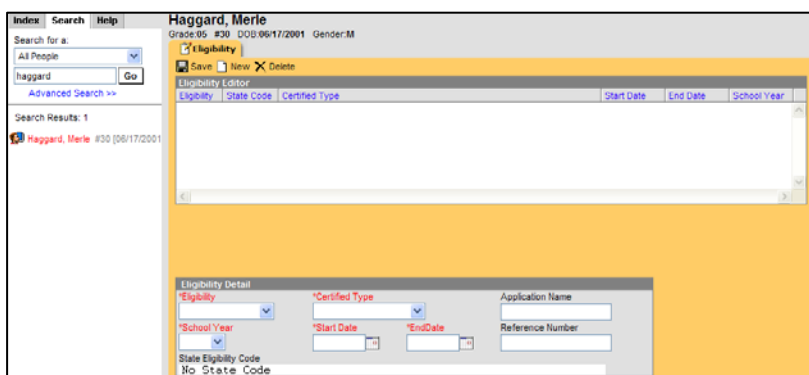

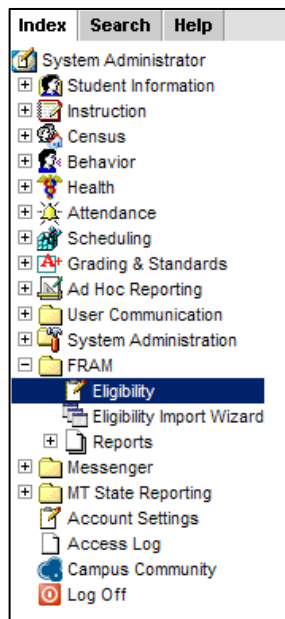

Entering FRAM Data

SCENARIO: Student is eligible for Free meals.

FIX: Enter the student's information in the FRAM module.

From the **Index**, expand the **FRAM** module.

Click **Eligibility**.

From the **Search** tab, enter the student's last name and click **Go**.

Select the student's name.

Click **New**.

Enter **Eligibility**, **Certified Type** (the OPI does not collect or use this information - may choose Income for all students), **School Year**, **Start Date** and **End Date** (students are eligible for 30 school days into the next year, unless eligibility is temporary).

Click **Save**.
