

Professional Standards

What School Nutrition Program Employees (that's YOU!) need to know about Professional Standards

School Nutrition Program Position	Required Training Hours
Program Director This person oversees all aspects of the School Nutrition Program in their district. This includes administering, planning, directing, assessing, implementing, and evaluating the program.	12 annual training hours
Program Manager Large districts that have a centralized kitchen and satellite kitchens often have a Program Manager for each satellite kitchen to oversee food production and service.	10 annual training hours
Program Staff working \geq 20 hours/week. This is anyone that is employed to work in the School Nutrition Program.	6 annual training hours
All Program Staff working < 20 hours/week.	4 annual training hours

Any training that lasts 15 minutes or longer counts!
"Teachable Moments" in your kitchen can be counted towards Professional Standards training hours.

Training for Professional Standards is categorized into these 4 Key Areas

Nutrition: Menu Planning, Nutrition Education, General Nutrition.

Example: How to read the ingredients list to confirm a menu item is whole grain rich.

Operations: Food Production, Serving Food (offer vs serve), Cashier and Point of Service, Purchasing/Procurement, Receiving and Storage, Food Safety and HACCP.

Example: Learn about how much should be offered and how much should be served to make a reimbursable meal.

Administration: Free and Reduced Price Meal Benefits, Program Management, Financial Management, Human Resources and Staff Training, Facilities and Equipment Planning.

Communications and marketing: Communications, Marketing.

Example: Share a Smarter Lunchroom technique you learned and want to implement in your School Nutrition Program.

Documentation of training hours must be available for Administrative Review.
