

EARLY LITERACY *Learning Series*

Pre-school, Kindergarten and 1st-3rd grade EDUCATORS!

This series of virtual learning is designed to support those implementing
Early Literacy Targeted Intervention Classroom Programs

AND

ANY educator wishing to strengthen their knowledge around Early Literacy.

Please note: these are the Winter and Spring sessions. In the fall, this series covered topics that were relevant to a 4-year-old or kindergarten classroom. The upcoming sessions will be focused on Early Literacy topics more relevant to 1st through 3rd grade teachers. There are also a few topics directed toward **Administration** and **Leadership**.

January 8- SPED Inclusion

January 22- Early Writing

February 5- Consolidating our Learning

February 19- **Early Literacy for Administrators**

*February 24 (*This is on a Monday*)- **Preparing to Screen**

March 5- Dyslexia

March 19- Literacy in Mathematics

April 16- Mental Health Repercussions of Struggling to Read

April 30- Reading Comprehension

May 21- **Reporting your Data**

All sessions are from 4:00-5:00.

1 PDU is available for those who participate live.
