

Career Pathway: Marketing

Get the Facts

The Marketing Career Pathway provides opportunities for students to learn and experience how the marketing process seeks to establish and satisfy the needs and wants of individuals who buy goods, services and ideas. Businesses of all types, including non-profit organizations, use marketing in their local, national and global operations to move products and services from their origin to the end-user.

Workforce Trends

Marketing careers includes the use of creative skills in advertising, public relations, sales, and planning. Marketing careers include those in the areas of marketing management, professional sales, merchandising, marketing communications, and marketing research.

The demand for individual with marketing, sales, communication, and research skills continues to experience high demand with project job openings of 2,882 per year within the Marketing Career Pathway from 2015-2025.

**CAREER AND TECHNICAL EDUCATION
