

# Federal Title Programs Monitoring Process

Fall Monitoring → September - February

Spring Monitoring → January - June

## Notification

## Document Submission

## Document Review

## Findings Report

## Corrective Actions Submission

## Corrective Actions Review

## District Cleared & Notified

Official notifications and monitoring tools emailed to the district superintendent.

LEA will collect and submit evidence to the OPI in alignment with each program's monitoring tool.

The OPI will review all submitted evidence from the LEA in alignment with each program's monitoring tool.

The OPI will notify the district superintendent of any corrective actions and additional evidence that is required.

LEA will collect and submit to the OPI all corrective actions and additional evidence by due date listed on the Findings Report.

The OPI will review all corrective actions and additional evidence submitted by the LEA.

The OPI will notify the district superintendent when the district has zero findings and/or all findings are cleared. Monitoring is complete.
