

## School Leader Support Meeting Summary September 13, 2023

### Summary:

Please see the OPI MASS September Update for important information.

### Frequently Asked Questions:

**For emergency authorizations for a teacher... can I add more than one endorsement for this license during the application process?** Yes, simply click all that apply.

**What is the deadline for emergency authorizations?** March 29 for emergency authorization for accreditation purposes, however, our OPI Licensure group is working to approve these quickly upon receipt.

**Will accreditation be at MCEL in Billings?** Currently waiting on a presentation spot.

**Some districts are using a service (such as Cognia) for national accreditation purposes. Is there a way to use the information districts gather during this process for the OPI accreditation process?** OPI is currently working on guidelines for this.

### Next week September 20, 2023:

Participants asked to have a special education representative attend the next meeting for any questions that may arise for superintendents. In addition, we will share a reminder about the school trustee repository.
