### FY 26 Perkins Grant Application

The 2026 Fiscal Year Perkins Grant is not open yet. When we can open it, a notice will go out with your allocations. We are awaiting the Grant Award Notice (GAN) from the Department of Education, which should arrive soon.

If you are trying to prepare for the grant, you can use this year's preliminary allocation as you begin your budgets and ensure you have your advisory committee minutes from July 1, 2024, to June 30, 2025.

If you will be leaving your district and know who the new contact will be or the interim contact, please be sure to include their information in the grant as well.

Check our [CTE](#) and [Perkins](#) Page for the most recent updates.
