

Negotiated Rulemaking for Hazard and Emergency Plans DRAFT Proposed NEW RULE

Pursuant to [§20-1-401, MCA](#), *“Disaster Drills to be Conducted Regularly-Districts to Identify Disaster Risks and Adopt School Safety Plan.”*

DRAFT PROPOSED NEW RULE LANGUAGE

ARM 10.55: Standards of Accreditation

Subchapter 7: School Leadership

NEW RULE: HAZARD AND EMERGENCY PLANS

(1) A local board of trustees shall adopt a policy addressing hazard and emergency plans. Hazard and emergency plans shall include the following components:

a) A risk assessment to identify potential hazards “within the boundaries of its school district”;

b) A section within the hazard and emergency plan that addresses training, including emergency drills and exercises associated with the identified risks and hazards; and

c) A hazard and emergency plan that addresses actions for prevention, mitigation, response, and recovery (before, during, and after) an event.
