Putting Montana Students First **A⁺**

Narrative for Montana HiSET Option Programs

What challenges have you faced during this academic year? How were they addressed? What were the outcomes? Will you handle this challenge the same in the future or will you adjust?

What successes have you experienced this academic year? How were they communicated to administrators, teachers, families, and the community?

What changes will you implement for the upcoming academic year to ensure a successful student transition from high school to the next step in their career pathway? How will you collect data to confirm your implementations were beneficial?

How many Option Program Graduates did you have this year? How many graduates did you have in total from your high school?
