

Professional Standards

These standards ensure school nutrition professionals have the knowledge, training, and tools they need to plan, prepare, and purchase healthy food to create nutritious, safe, and enjoyable school meals. The additional final rule, Hiring Flexibility under Professional Standards, establishes flexibilities for hiring standards under the Professional Standards regulations.

School Nutrition Program Position	Required Training Hours
Program Director This person oversees all aspects of the School Nutrition Program in their district. This includes administering, planning, directing, assessing, implementing, and evaluating the program.	12 annual training hours
Program Manager Large districts that have a centralized kitchen and satellite kitchens often have a Program Manager for each satellite kitchen to oversee food production and service.	10 annual training hours
Program Staff working \geq 20 hours/week. This is anyone that is employed to work in the School Nutrition Program.	6 annual training hours
All Program Staff working $<$ 20 hours/week.	4 annual training hours
Any training that lasts 15 minutes or longer counts! “Teachable Moments” in your kitchen can be counted towards Professional Standards training hours.	
Annual training requirements apply to the 12 months between July 1 and June 30. NOTE: If hired January 1 or later, an employee must only complete half of the required training hours.	

Training for Professional Standards is categorized into these 4 Key Areas

- Nutrition:** Menu Planning, Nutrition Education, General Nutrition.
 Example: How to read the ingredients list to confirm a menu item is whole grain rich.
- Operations:** Food Production, Serving Food (offer vs serve), Cashier and Point of Service, Purchasing/ Procurement, Receiving and Storage, Food Safety and HACCP.
 Example: Learn about how much should be offered and how much should be served to make a reimbursable meal.
- Administration:** Free and Reduced Price Meal Benefits, Program Management, Financial Management, Human Resources and Staff Training, Facilities and Equipment Planning.
- Communications and marketing:** Communications, Marketing.

Documentation of training hours must be available for Administrative Review.
