

Title II Local Needs Assessment | Beaverhead County High School

Beaverhead County High School is a 9-12 grade high school that services students in Southwest Montana. The use of Title II funds helps us meet the following goals:

- Increase student achievement consistent with State standards.
- Improve quality and effectiveness of teachers, principals and other school leaders.
- Increase the number of teachers, principals and other school leaders who are improving student academic achievement.
- Provide mentor opportunities for staff to help with the retention and recruitment of high quality instructors.

In an effort to accomplish these goals Beaverhead County High School will use our Title II funds to do the following:

- Provide high quality professional development in the areas of PLCs, MTSS, social and emotional needs, curriculum development and special population instruction.
- Provide staff team time and planning for curriculum development, alignment and mapping by paying stipends and/or substitutes.
- Provide stipends to cover new staff mentoring in an effort to improve classroom instruction, student learning and achievement, and increase retention and recruitment of high quality teachers, principals and other school leaders.
