

To Whom It May Concern:

Enclosed is a copy of the 2026-2027 Opportunity to Participate in Federally Funded Programs by Nonpublic Schools notification. Each year we send this form to the private/nonpublic schools whom have attending students from within of our public school district as required by the Elementary and Secondary Education Act (ESEA).

Also included is an informational document regarding federal programs of interest. However, if you would like further information regarding the programs your LEA participates in, please contact **(District Contact) (Title) (Contact Info)**

If you have eligible students and are interested in having them receive supplemental Federal Program services, check box #2 towards the bottom of the page indicating your wish to participate. On the following page, please check the programs you would like to participate in; return both to **(District Contact and address)** Please note that your students can only participate in those programs for which our district receives funding.

If you are not interested in participating, we still request your signature to show you have been given the opportunity to participate for the 2026-2027 school year. Please check box #1 toward the bottom of the page indicating you do not wish to participate.

Please return this signed form by **(Date at least 2-3 weeks after date of letter)** **You should be aware that if the form is not returned by this date, you will not be eligible for equitable share and Federal Programs services in the 2026-27 school year.**

Please contact **(district contact)** should you have any questions about this letter or the implications thereof.

Sincerely,

**(Signature)**
