

Dear Partners in Education,

March 15, 2018

School Support Under ESSA Designations:

COMPREHENSIVE

- Assist schools in writing an application for their grant funding aligned with the requirements of the law.
- This includes a thorough needs assessment and goals setting.
- Monthly on-site support and monitoring from a specialized team at OPI and consultants selected by the district. External partners will support the school 3-4 days a month.
- School leadership teams will participate in two school improvement conferences focused on best practices in teaching reading mathematics and more.
- School board coaches and mentors for administrators
- Innovative awards

TARGETED

- Teacher Learning HUB course pathways for the group a school is identified for.
- Participation in regional trainings offered on increasing mathematic achievement and more.
- Technical assistance based on the school's needs.
