

Dear Partners in Education,

July 2, 2018

OPI will streamline communication through the OPI point of contact so that the school is supported and not contacted by multiple staff within the agency. The OPI point of contact can ensure the school receives the proper support from the agency and will bring in experts from finance, health, special education and other divisions as needed.

Comprehensive Support Schools

Wolf Point HS	Michelle Mitchell, 444-0708, Michelle.Mitchell@mt.gov
