- Professional Development Opportunities can be found on the IEFA [Upcoming Events/PD webpage](#). This includes currently offered events as well as recordings of previous events.
- There are also three IEFA offerings on the [online learning hub](#) which can be found by selecting Indian Education for All in the Search Courses menu.
- The [Classroom Resources page](#) of the IEFA website offers standards aligned lessons for all grade levels and core subject areas.
- The [General Information page](#) of the website contains links to state and national resources as well as key foundational documents for Indian Education for All. These include:
  - [The IEFA Implementation Framework](#)
  - [The Essential Understandings Regarding Montana Indians](#)
  - [The Classroom Resources Evaluation Guide](#)
- The [Videos page](#) of the website offers links to an extensive array of video recordings compiled by the IEFA staff over time.
