- Q&A

# What is the Final Expenditure Report (FER)?

---

- The Final Expenditure Report (FER) is the **last step** necessary to **close out** a grant
- It gets submitted at the end of the grant:
  - When all grant funds have been spent down, OR
  - When the grant period is ending
- For some grants, the FER ends one fiscal year and rolls remaining funds over to the next fiscal year.
- **For ESSER grants** specifically, the FER closes out the grant so that no further amendments or cash requests can be submitted.

# What is the Final Expenditure Report (FER)?

---

- FERs for ESSER I (ESSER Fund and ESSER Related Services) must be submitted by **October 25, 2022**.
- If your ESSER I FERs have not been approved, you will not be able to draw down from ESSER II or ESSER III.
- If you haven't yet, submit your FERs for your ESSER I grant(s)!

## Before You Create an FER...

---

- You must have **at least one** Cash Request which has been approved and paid out before you can submit an FER.
  - We encourage you to fully spend down your grant using Cash Requests before submitting an FER.
- A Cash Request and an FER **cannot** be processed within the same month.

# Where do I find the FER?

- On the E-Grants Access Select page...
- Click “Payments” button next to desired grant to see the Payment Summary

- Effectively, this means you are **refusing** the remainder of the grant funds.
