# Year 1

Window 3 will end on Friday, March 24th

Window 4 will run from April 17th - 28th

33 Districts

“It was short so we had time to work on other things.”

“The test platform was incredibly easy for students to navigate and it was easy for them to go back and check each of their answers. The idea of a "shortened" test helped my students be prepared and looked forward to getting through it.”

Location of Testing School/District	Count (Schools)
Urban	5
Suburban	23
Rural	54

# What's going to change for Year 2?

Addition of Grades 3, 4, 6, and 8

Year 2 pilot will field test ELA and Math for grades 3-8

Addition of performance task administration as a fifth window - more details to come

First stage of introducing flexibility

Adjusting order of testlets to align to local scope and sequence

# Flexibility

## Year 2 Flexibility:

The OPI, in partnership with New Meridian, is collecting as much information as possible that points to local scope and sequence

New Meridian will manually adjust the order of teslets to reflect local scope and sequence at the district level

Year 3 will bring further flexibility - more details to come

# Montana's Educators Invited to Participate in Passage Review

The OPI and New Meridian will be holding two passage review workshops.

The Passage Review will be filled with engaging, challenging work, and will provide participants with an opportunity to understand more about the assessment process.

Educators self-identified themselves to serve on the Cadre

April 10-15, outside of business hours

June 12-16, during normal business hours

# Current Priorities

Inviting Districts to participate in Year 2

Passage Review Educator Cadres

Gathering Scope and Sequence to align teslets to local instruction
