

# NAEP 2024 Program

Education Advocates  
June 20, 2023

# Agenda

---

- NAEP 2024 Program
  - Mathematics and Reading in Grades 4, 8 and 12
  - Science in Grade 8
  - Field Test

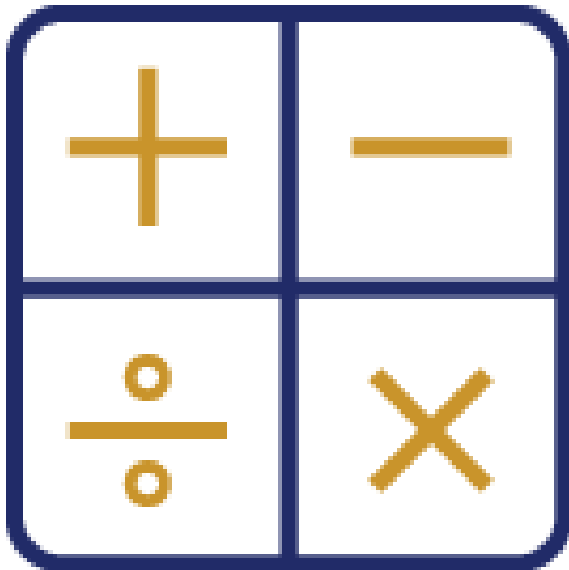

# NAEP's Long-Term Plan

---

- The long-term plan is to transition to a model in which NAEP is administered via school equipment and internet with reduced NAEP field staff.
- School staff may be asked to administer students needing a separate location.

# NAEP 2024

- Mathematics and Reading in Grades 4, 8 and 12
- Science in Grade 8

# NAEP 2024: Main NAEP

---

- Main NAEP
    - Mathematics and Reading – Grades 4, 8 and 12
    - Science – Grade 8
  - Assessment window: Jan. 29 – Mar. 8, 2024
  - Session duration: About 120 minutes
  - Devices
    - 13 Surface Pros & 12 Chromebooks
  - Results will be available in Winter 2024.
-

# NAEP 2024 Sample

---

- Main Grade 4 - 129
- Main Grade 8 - 99
- National Grade 12 - 7
- Pilot Grade 4 - 5
- Pilot Grade 8 - 3
- National Grade 8 (Science) - 1
- Main 8 & National 8 - 1

# NAEP 2024: Grades 4 and 8 Required

UNITED STATES DEPARTMENT OF EDUCATION  
INSTITUTE OF EDUCATION SCIENCES  
NATIONAL CENTER FOR EDUCATION STATISTICS

April 10, 2023

Dear Chief:

The National Center for Education Statistics (NCES) has begun preparing for the 2024 assessment cycle and I would like to inform you of upcoming activities which may involve your state. NCES will conduct the National Assessment of Educational Progress (NAEP) and various international assessments and studies.

NAEP assessments in the 2023-2024 school year include assessments in mathematics, reading and science. The 2024 mathematics and reading assessments will provide national results for grades 4, 8 and 12 and state and Trial Urban District (TUDA) level results for grades 4 and 8. The NAEP science assessment will provide national results for grade 8.

As usual, the NAEP assessments will be administered in late winter/early spring:

- January 29, 2024 - March 8, 2024:
  - Grades 4, 8, and 12 mathematics and reading
  - Grade 8, science

As a reminder, under the Every Student Succeeds Act of 2015, state applications for Title I funds must include an assurance that the state will participate in the biennial NAEP mathematics and reading assessments at grades 4 and 8; participation in mathematics and reading assessments at grade 12 and in the science assessment at grade 8 is voluntary. The High School Transcript Study (HSTS) will also take place at grade 12. The HSTS analyzes transcripts from a nationally representative sample of high school graduates to provide information about course taking patterns and examines relationships with educational achievements through a link to NAEP data.

The 2024 assessments continue the program's commitment to ensuring that NAEP digitally based assessments provide a reliable, meaningful, and efficient measure of student achievement as NAEP explores the use of an online assessment platform, a transition to the use of new assessment administration devices, and, where schools are willing and able, the use of schools' own internet connections. As part of an effort to allow students to take NAEP on more familiar devices, NAEP is transitioning to the use of Chromebooks in the 2024 administration. In prior years, only SurfacePro tablets were used to administer NAEP. The transition to Chromebooks includes a study of the comparability of administration on the two devices; a portion of students will assess on Chromebooks and a portion will assess on SurfacePros. An additional pilot study will focus only on Chromebooks.

Please note that the mathematics and reading results for 2024 NAEP will be delayed until winter 2024 to allow for time to complete analysis of the comparability study between the Chromebooks and SurfacePros. Mathematics and reading results for the 12<sup>th</sup> grade and grade 8 science results will then be released approximately 6 months after release of the mathematics and reading results.

*Our mission is to ensure equal access to education and to promote educational excellence throughout the Nation.*

“As a reminder, under the Every Student Succeeds Act of 2015, state applications for Title 1 funds must include an assurance that the state will participate in NAEP mathematics and reading assessments at grades 4 and 8.”

# Questions?

---

# NAEP Day – June 21st

## NAEP is hiring

In-school data collectors are needed for national assessments at grades 4, 8, and 12, January 29–March 8, 2024.

Enter your contact information at <http://www.WorkNAEP.com> to be notified once applications are available.
