

2022-23

Montana Teacher Leadership Academy

Why Participate?

The teacher leader academy is designed to develop critical skills in teacher leaders. Qualities of teacher leaders include high-leverage classroom strategies, active engagement in professional growth, passion and commitment to excellence, and readiness to re-imagine the profession. This academy is for teacher leaders who want to be professionally challenged, develop networks, become effective coaches for learning, and improve student learning experiences.

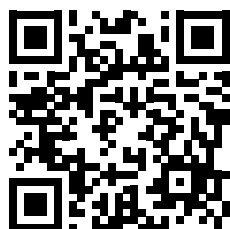

Apply Today to Join Cohort 2!

Teacher leaders must complete the written application, which includes three short answer responses. A supervisor then completes a leadership behavior grid. Both the application and leadership behavior grid must be completed and submitted to the Leadership Institute of Nevada by June 18th, 2022. The Institute's review committee will evaluate applications. Click [HERE](#) for a list of FAQs.
