

DATA COLLECTION SCHEDULE 2024-2025 SCHOOL YEAR

Infinite Campus (IC) is the vendor for the Office of Public Instruction's (OPI's) state-wide education information system. This system allows school districts to submit required school, staff, and student information electronically to the OPI. Timely and accurate data about the progress of our students, staffing, courses, schools, school districts, and the state is used for reporting to the state of Montana, federal entities, and the education community.

The AIM Data Collection Schedule is organized to illustrate the required timeframes for each state collection, the collection name, the purpose of the collection, the collection type (financial, accountability, Federal Report, State requirement) and the Montana Code Annotated (MCA), Administrative Rules of Montana (ARM), and/or Federal Report (OMB) associated with each collection. There are resources available to assist school districts with complying with these data collections on the OPI's Education Data Collection Team (EDUCATE) Webpage: [EDUCATE Main Webpage](#).

If you have questions or need support from the [EDUCATE Staff](#), contact the help desk at (406) 444-3800 (toll free (877) 424-6681) or opiainhelp@mt.gov.
