

## **Preliminary Allocations for ARP-HCY II**

Preliminary allocations for the ARP-HCY II grant were calculated based on a formula provided by the U.S. Department of Education. The formula required the OPI to divide the total grant amount into two equal portions. Calculations for the first half of the allocation were based on each district's proportionate share of Title I, Part A funding. Calculations for the second half of the allocation were based on each district's proportionate share of the number of students identified as homeless in either the 2018-2019 school year, or the 2019-2020 school year, whichever year had higher rates of identification in each district.

The ARP-HCY II grant will only be distributed to districts with an allocation of at least \$5,000. Districts may form consortia to combine their funds to reach the minimum amount.

Districts highlighted in blue did not receive Title I, Part A funding and did not identify students as homeless in either of the qualifying school years. Those districts were not eligible to receive ARP-HCY II allocations.

Districts highlighted in orange received a preliminary allocation less than \$5,000. To accept the funds these districts will need to form a consortium with one or more partners.

Districts in white received a preliminary allocation of \$5,000 or more and are eligible to apply for funding. These districts are encouraged to reach out to neighboring districts with smaller allocations to form consortia.
