The below scores are a culmination of the 2023-2024 and 2024-2025 accreditation process which completes one full cycle. During the 2023-2024 accreditation submission process districts were required to complete assurance rubrics A through K and the student performance rubrics. During the 2024-2025 accreditation submission, districts completed rubrics L-R and had the opportunity to resubmit evidence for assurance rubrics A, B, H, J and the student performance rubrics. Overall accreditation for 2024-2025 is based on all assurance rubrics (A-R) and the student performance rubrics.

DEFINITIONS

"Comprehensive needs assessment" means a process that is used to identify district and school area(s) of need, the root causes of identified gaps, set priorities, and inform an action plan for improvement.

"Integrated strategic action plan" means a district plan adopted by the board of trustees that:

- (a) is aligned with the peoples' goal in Article X, section 1 of the Montana Constitution of developing the full educational potential of each person;
- (b) ensures a learner-centered system and continuous improvement that reflects local context and needs;
- (c) is based on school-level comprehensive needs assessment;
- (d) has engaged stakeholders and addresses stakeholder input and feedback; and
- (e) aligns with the requirements of applicable state and federal programs.

SAMPLE EVIDENCE MAY INCLUDE

A single document may include all of the criteria/sample evidence needed to receive a regular (4) score.

Meaningful Stakeholder Input and Feedback Evidence May Include: board agendas AND/OR schedule of community meetings AND/OR surveys AND/OR social media screenshot of survey AND/OR screenshot of survey being sent AND/OR screenshot of Infinite Campus message of survey

Identified Areas of Need for Improvement Sample Evidence May Include: summary of CNA findings and how they contribute to educational goals **AND/OR** gap analysis **AND/OR** root cause analysis

[&]quot;Stakeholders" means community members who may be involved and invested in districts, schools, programs, and outcomes for students. Stakeholders include students, families, educators, leaders, business and community leaders, taxpayers, and the many partners who support them.

10.55.801(1) SCHOOL CLIMATE

- (a) develop policies, procedures, and rules that respect the rights of all learners, promote an awareness of and concern for the well-being of others, and address bullying, intimidation, and harassment of students and school personnel;
- (b) create teaching and learning conditions that meet the district's educational goals and recruit and maintain a quality staff;
- (c) offer programs and services which, in content and presentation, endeavor to be free of stereotyping in terms of Article II, Section IV of the Montana Constitution and federal law with prejudice toward none;
- (d) provide programs and services that meet the needs of students which the school has identified as at-risk;
- (e) inform students, parents, families, and guardians of the school's expectations and of students' rights and responsibilities
- (f) encourage students to take responsibility for their education, including preparing for and participating in class and school activities, taking full advantage of learning services provided, helping design their educational goals, and conducting themselves respectfully and appropriately;
- (g) encourage the active involvement of parents, families, and guardians in their children's education and in their school
- (h) provide opportunities for parents, families, guardians, educators, and members of the community to take active roles in developing and reviewing district and school educational goals

DEFINITIONS

"Overall Group Performance Data" means the whole school

"Learning progression" means the specific performance expectations in each content area and grade-level or grade-band from kindergarten through grade 12.

"Measure" means a way to assess the level of proficiency on a performance indicator aligned to the district graduate profile.

"Proficient" means that a student demonstrated a level of knowledge and skills that are expected to be learned signaling that a student is well prepared to progress on the learning continuum aligned to the content standards, learning progressions, and necessary readiness skills.

"Student performance standards" means the measurement of student performance and proficiency on annual state level summative assessments and graduation rates used to determine the accreditation status of a school.

"Student growth" means changes in student learning as measured from one point in time to another as determined by state or local measures, or both. The federal accountability system uses a growth model to demonstrate student learning across time as measured by statewide assessments

Well Designed Measurement and Well Implemented Measurement Tool Definition:

- 1. Identify a valid and reliable tool
- 2. Provide Evidence that tool is well developed
 - a. Professional Learning Communities (PLCs) analyzing data
 - b. Documentation of types of reports that are shared with parents and/or students
- 3. Evidence of Group Performance
