

School Finance

Please join us for an upcoming Open Office Hour meeting focused on OPI Transportation on Wednesday, May 13th at 9:00 AM.

During this live session, we will review how to navigate the pupil transportation portal, discuss each transportation form and its due dates, and leave time for questions and answers.

Whether you are new to the process or simply need a refresher, this is a great opportunity to receive guidance and clarification directly from Elsie. We encourage you to take advantage of this opportunity and join us. A Teams meeting link will be included below.
