

Summer-EBT Enrollment Instructions CEP Schools

The purpose of these instructions is to guide Sponsors on the necessary steps to identify households that may be eligible for Summer-EBT benefits. The system primarily used for processing direct certification and free and reduced applications is the Direct Certification Application (DCA) system. The steps listed below will help the State Agency ensure that your students are able to receive Summer-EBT benefits if eligible. Direct certification should be practiced routinely by all schools, including CEP schools, as per USDA regulations. This document covers the following in more detail:

- ***Work Direct Certification Potential Matches***
- ***Work Direct Certification Extended Eligibility***
- ***Work Manual Direct Certification***
- ***Identify Active Students Not Directly Certified***
- ***Enroll your School in Online Free/Reduced Applications and Contact Families***
- ***Process Submitted Applications***

Welcome!

This is the State of Montana OPI's electronic application for free and reduced price meals for the [USDA](#)'s National School Lunch & School Breakfast Programs.

This interactive application will guide you through the application process.

You cannot save and return to this application after you have started it. You will receive an application number for reference once you have submitted the application. The time it will take you to finish this application depends on your household circumstances and the information you have on hand when you begin. You will need to provide information regarding DOBs, grades, schools, and income information for children and adults in your household, as well as case numbers for SNAP, TANF, or FDPIR assistance programs. When you are ready to apply, select the school district in which you are applying to begin.

If the school district your child attends is not in the below list, you will need to complete the [paper application](#) and return it to your school.

Step 6: Process Submitted Applications
