Please Be Sure To Count Your Words

Example 1

Happy High School is located in Savvy, Montana. We are a 9-12 school with an enrollment of 1200 students. We want to showcase a service learning project which is a result of our involvement in the MBI process. These photos show our students/staff members at a community-wide picnic sponsored by the MBI Youth Days team. The picnic was funded by community businesses and staffed by Youth Day volunteers and staff members. (75 word limit)

Example 2

Life is Good Middle School is located in Otter Creek, Montana. We are a 6-8 school with an enrollment of 53 students. We want to showcase our expectations posters, which are a result of our involvement in MBI. These photos show students creating the posters in art class and students and staff hanging them throughout the school and community businesses. The posters were funded by community businesses and serve as a reminder of expected behaviors. (75 word limit)

Example 3

Little Sprouts Head Start is located in Lone Tree, Montana. We are a Pre-K school with an enrollment of 116 students. We want to showcase Parent Appreciation Night, which is a result of our involvement in the MBI process. These photos show our students serving tacos and providing entertainment after the dinner.

Students were taught expected behaviors for greeting their parents, serving the food, and cleaning up after the event. Great Fun!! (75 word limit)
