## 2025-2026 OPI Statewide Assessment Test Windows

	Anticipated SY2025-26 Test Windows	Required Subjects	Student Group	Grades Tested	Window Period
Montana Aligned to Standards Through-Year (MAST)	<b>Window 1</b> October 13-December 5	Math and ELA	General	Grades 3–8	3 windows: 8 weeks each
	<b>Window 2</b> January 12-March 6				
	<b>Window 3</b> March 30-May 22				
Dynamic Learning Maps (DLM) Alternate Math and ELA	<b>Fall Window</b> September 8- December 19	Math and ELA	SwSCDs	Grades 3-8, 11	2 windows: 15 weeks each
	<b>Spring Window</b> February 2- May 15				
WIDA ACCESS	January 5-March 6	English Language Proficiency	English Learners	Grades K–12	9 weeks
Montana Science Assessment (MSA)	March 2-May 22	Science	General	Grades 5, 8	12 weeks
Dynamic Learning Maps (DLM) Alternate Science	February 2- May 15	Science	SwSCDs	Grades 5, 8, 11	15 weeks
ACT with Writing	<b>Window 1</b> March 24-April 3	Math, ELA, and Science	General	Grade 11	3 windows: 2 weeks each
	<b>Window 2</b> April 7-17				
	<b>Window 3</b> April 21-May 1				

Updated by the Office of Public Instruction on June 25, 2025.

**Note:** Dates and information listed in this schedule are subject to change at any time or without notice.

**Note:** SwSCDs is an acronym for student with significant cognitive disabilities and ‘SY’ is the abbreviation for school year. The OPI will publish any changes to the test windows on the [Published Test Windows](#).

# Timely Tasks for State Assessments

The checklists below help guide the System Test Coordinator (STC) in ensuring tasks related to state assessments are completed in a timely manner.

## MontCAS (Montana Comprehensive Assessment System)

This section pertains to general and test security tasks under the umbrella of the MontCAS program not specific to any one of the state assessments.

- ✓ STCs review the [MontCAS Test Security Collection Schedule](#) and plan accordingly for the district.
- ✓ STCs report testing incidents in the [MontCAS Application](#) throughout the school year.
- ✓ STCs request non-routine accommodations in the [MontCAS Application](#) for all statewide assessments at least 2 weeks prior to the planned administration.
- ✓ STCs submit valid non-participation requests in the [MontCAS Application](#) after each testing window closes.

### Timely Task Resources

<a href="#">MontCAS Test Security Collection Schedule</a>	This schedule includes required and timely tasks and collections specific to state assessments.
<a href="#">MontCAS Application User Guide</a>	This user guide includes step-by-step instructions for completing tasks within the MontCAS Application.

For links to MontCAS general and test security resources, visit the [MontCAS page](#) of the OPI State Testing website.

## Montana Aligned to Standards Through-Year (MAST) Assessment

The MAST Assessment is the general math and reading/language arts assessment for academic achievement reporting in Grades 3 through 8.

**Window 3 is open and runs through May 22, 2026.**

- ✓ **NEW! Interactive Reporting!** Beginning Window 3 of the MAST administration on March 30, schools will have access to the new MAST Interactive Reporting platform. This enhanced reporting tool provides dynamic, easy-to-navigate access to student performance data from individual MAST testlets in Math and ELA. Educators will be able to view testlet reports, explore performance levels and assessed standards, analyze misconceptions in Math, and download reports as PDFs for sharing and instructional planning. MAST reports will continue to be available in Kite during this transition. To support implementation, a [live training](#) was held Monday, March 30 to walk through how to access and navigate the platform.
- ✓ **Progress Reports:** New Window 2 Student Progress Reports become available in Kite on April 2, 2026. These reports provide cumulative performance information based on a student's testlet results to date during the academic year. Unlike through-year reports, which summarize end-of-year performance, Student Progress Reports show how a student's learning progresses as additional testlets are completed. The reports also include an estimated cumulative achievement range on the summative scale, based on all testlets completed to date. Please refer to available resources to support accurate interpretation of Progress Reports:
  - [MAST Progress Levels Explained](#)
  - [Student Progress Report Interpretive Guide](#)
  - Understanding MAST Progress Reports [VIDEO](#) and [SLIDES](#)
  - MAST Progress Report Overview for [Educators](#) and [Families](#)These reports can be found by navigating to:
  1. Interim > View Results
  2. Click on the Progress Report tab. Select the desired report.
  3. Fill out the organizational dropdowns.
  4. Select *Search*.
- ✓ **Anchor Test:** In Window 3, students will be pre-assigned one math or ELA anchor test designed to be completed in a single session, with an estimated testing time of 25 to 40 minutes. The anchor test will be assigned at the school level so each roster will get the same subject-level anchor test.

Similar to last year, the MAST anchor test will become available for administration after students have completed all scheduled ELA and math testlets. Once a student finishes their final scheduled testlet, the Kite system will assign the MAST anchor test within approximately 30-40 minutes. Additional information regarding what to expect can be found on page 13 of [MAST Test Administration Manual](#).

- ✓ **MAST Trainings and Recordings:** Schedule a virtual 1:1 session with the OPI Assessment Unit to explore a variety of MAST topics, such as scheduling MAST testlets, accessing and interpreting MAST score reports, and more. [Select a date and time](#).
- ✓ **Maintain user accounts within the Kite Platform.** Districts are responsible for managing users within the Kite Educator Portal. Users who are no longer with the district should be deactivated, and new users should be added as needed. It's important to deactivate former users so that districts can use the *Claim Users* feature to assign appropriate roles to new staff members. Resources available: [Montana's unique Kite Educator Portal Login URL](#)
- ✓ **Roster Students: All students should be rostered to a teacher for both math and ELA.** Rostering should be completed at least one week before the opening of each testing window. Rostering should be continually updated to reflect student mobility within the district.
- ✓ **Enter Student PNPs (accommodations).** PNPs should be entered at least one week before the opening of each testing window. Adding/modifying PNPs should be continually updated to reflect changes to student's IEPs, 504s, and/or educational plans throughout the year. **Requests for paper/Braille forms should be made by calling the OPI Assessment Unit (844-867-2569) at least three weeks prior to the opening of each testing window.**
- ✓ **Monitor Completion of testlets.** Monitoring testlet completion is essential to ensure students complete all available testlets. A Monitoring Testlet Completion data extract is available in Kite, which can be used to filter for specific students and identify any remaining testlets that need to be administered. Monitoring MAST Testlet Completion Focused Support [VIDEO](#) and [Presentation Slides](#) can be found on the [MontCAS Stay Informed webpage](#)
- ✓ **Notify families of testing** using the OPI's [MAST Parent Notification Letter Template](#). Districts are required to notify parents/guardians of upcoming testing.
- ✓ **Share MAST Student Score Reports with Parents/Guardians** in a timely manner. School districts are required to share individual student testlet reports throughout the year. Use these resources to ensure this task is completed.
  - Instructions for setting up the Kite Parent Portal ([Kite Educator Portal Manual](#) p.47)
  - [Making the Student-Parent Connection in the Kite Educator Portal tutorial](#).
  - [Sample OPI MAST Individual Student Score Report Parent Letter](#)
  - [Kite Parent Portal Focused Support Video](#) and [Parent Portal Set Up One-Pager](#)
  - [MAST for Parents One-Pager](#)
- ✓ **Share Through-Year Summative Student Score Reports** with parents/guardians. These summative reports must be placed in students' cumulative files and shared with parents/guardians. Parent Portal access is not sufficient notice of the Summative MAST score reports.
  - Interpretive Guides will be posted on the [MAST Portal](#) under *Score Reports*.
  - [Sample OPI MAST Summative Score Report Parent Letter](#)

### MAST Timely Task Resources

Create and Maintain User Accounts	Refer to the <a href="#">MontCAS Stay Informed webpage</a> for a <a href="#">MAST User Management Focused Support Video</a> (about 8 minutes) and <a href="#">Presentation Slides</a> . Refer to the <a href="#">User Management Quick Reference Guide</a> to determine which role(s) to give educators. <a href="#">Presentation Slides</a>
Roster Students	The <a href="#">MAST Rostering Focused Support Video</a> (about 7 minutes) guides users through the rostering process. <a href="#">Presentation Slides</a>
Entering PNPs	The <a href="#">Entering Student PNPs in the Kite Educator Portal</a> v.(about 10 minutes) reviews the process for entering PNPs. <a href="#">Presentation Slides</a>
<a href="#">MAST Portal</a>	The landing page for all MAST resources, support, and professional learning opportunities.
<a href="#">MontCAS Stay Informed &amp; Find Support</a>	On the MAST Assessment tab, a series of focused support videos will be available to support tasks associated with preparing for and administering the MAST assessment.
<a href="#">Before Testing Tasks</a>	This one-page document provides information on the tasks that must occur prior to administering MAST Assessments.

# Montana Science Assessment (MSA)

The MSA is the general science assessment for academic achievement reporting in Grades 5 and 8.

**The Montana Science Assessment testing window is open and runs through May 22, 2026.**

\*If your school is participating in the MAST Science Pilot for Grades 6-8, see the [MAST Science Pilot section](#) of the bulletin. Grade 8 students will take the MSA as well as the pilot testlets.

\*If your school is not participating in the MAST Science Pilot, **do not roster students** in Science in the Kite Educator Portal.

- ✓ **Ensure enrollment records are accurate and up to date throughout the window.** Weekly uploads will be completed during the testing window.
- ✓ **Ensure TAs have completed the required Test Administrator Certification Course** in the [Montana Testing Portal](#).
- ✓ **Review the [TIDE Changes Cheat Sheet](#)** to become familiar with the new look on the testing portal.
- ✓ **Install the new browser on testing devices.** Instructions can be found in the [Technology Guide](#).
- ✓ **Install new ChromeOS Secure Browser: [detailed instructions for downloading and configuring the new ChromeOS Secure Test Progressive Web App](#).** The legacy ChromeOS Secure Browser will continue to work with ChromeOS versions 138 and below. The Cambium Help Desk is available to assist Districts/Schools with this process as you start preparing testing devices for the new school year.
- ✓ **Send the [Parent Notification letter](#)** to parents/guardians about 2 weeks before testing.
- ✓ **Ensure test settings are entered correctly in TIDE.** Supports and accommodations must reflect those listed in IEP/504 Plans.

## MSA Timely Task Resources

<a href="#">TIDE Maintenance Quick Guide</a>	This guide walks STCs through the tasks to ensure user accounts are updated appropriately.
<a href="#">Usability, Accessibility and Accommodations Guidelines</a>	This guide describes the universal tools, designated supports, and accommodations available for the Smarter Balanced assessment.

For links to MSA general resources, visit the [MSA page](#) of the OPI State Testing website.

# MAST Science Pilot

**The MAST Science Pilot for Grades 6-8 testing window is April 13-May 8, 2026**

The MAST Science pilot will be administered in the Kite platform. One to two testlets per grade level will be assigned by the vendor based on information provided by districts. The OPI has confirmed numbers with districts participating in the pilot.

MAST Science Pilot districts will receive more information via email the week of March 2<sup>nd</sup> addressed to the pilot's district contact and the district's superintendent.

- ✓ **Add a Teacher role in the Kite Educator Portal** for all educators who will be administering the Science Pilot so students can be rostered to them. Ensure all new users are trained to administer testlets.
- ✓ **Rostering opened March 23rd.** All students participating in the pilot will need to be rostered to an educator for testlets to be assigned. When rostering, select Science in the Subject dropdown menu.
- ✓ **Parent Notification Letter:** In accordance with our standard practice for statewide assessments, it is mandatory for school districts to inform parents or guardians about scheduled assessments. To assist you in effectively communicating with parents or guardians regarding the MAST Pilot, please find this linked [Parent Letter Template](#). This template will serve as a helpful guide in notifying parents or guardians about the upcoming assessment and providing them with relevant information.
- ✓ **Survey:** There will be a short survey for students after the assessment. Here is a survey [template letter](#) and opt out for parents.

For more information, or to apply to participate in the pilot, see the [MAST Science page](#) on the Statewide Testing webpage

## ACT with Writing

The ACT with Writing is the general math, reading/language arts, and science assessment for academic achievement reporting in Grade 11.

The ACT with Writing testing windows are closed May 1, 2026.

### ACT Timely Task Resources

<a href="#">TAA User Guide</a>	This guide includes the steps for submitting accommodations requests in the Test Accessibility and Accommodations site.
<a href="#">ACT Success</a>	Individual Score Reports can be downloaded from this site.

For links to ACT general and test security resources, visit the [ACT page](#) of the OPI State Testing website.

## WIDA ACCESS (ACCESS)

The ACCESS is the English Language Proficiency assessment for academic achievement reporting for English Learners (ELs) in Grades K through 12.

- ✓ **Initial individual score reports** will be available in the WIDA AMS on Tuesday, April 28, 2026. Printed reports will arrive in districts by May 11, 2026. Place a copy in student cumulative file and send score reports home to families.
- ✓ **Review score reports to exit eligible students.** Students who have obtained an Overall Composite Score of 4.7 or higher should be 'exited' from EL status in AIM/Infinite Campus

### WIDA ACCESS Timely Task Resources

<a href="#">WIDA AMS</a>	Access digital ISRs (individual score reports) via this site.
<a href="#">WIDA Score Report Letter</a>	Download and customize this letter to send home alongside student score reports.
<a href="#">MontCAS Stay Informed &amp; Find Support</a>	On the ACCESS for ELLs/WIDA Screener tab, a series of focused support videos are available to support tasks associated with the ACCESS for ELLs.
<a href="#">Updated EL Student Identification Guide for Infinite Campus</a>	New guidance is available on how to ensure ELs are appropriately entered and identified in Infinite Campus.

For links to ACCESS general and test security resources, visit the [ACCESS page](#) of the OPI State Testing website.

## DLM Alternate ELA/math Assessment (DLM ELA/math)

The DLM ELA/math is the alternate math and reading/language arts assessment for academic achievement reporting in Grades 3 through 8 and 11 for students with significant cognitive disabilities.

**The DLM ELA/math Spring Window is open and runs through May 15, 2026.**

- ✓ **Monitor district completion status** for students to ensure all eligible students test.
- ✓ **Aggregate reports, Individual Student Score Reports, and Student Bundled Reports become available early to mid-summer.** Users with higher roles, such as District or Building Test Coordinators will have access to these in the Kite Educator Portal and can distribute to teachers accordingly.
- ✓ **Place a copy of these reports in the student's cumulative file and share with families/guardians,** along with [appropriate interpretation resources](#).

## DLM ELA/math Timely Task Resources

<a href="#">Dynamic Learning Maps (DLM) Information</a>	Review the background of how this assessment was built and how it works.
<a href="#">Montana DLM State Page</a>	Explore Montana's specific state page for information on the assessment and resources to assist Special Education Teachers, STCs, and Test Administrators.
<a href="#">MontCAS Stay Informed &amp; Find Support</a>	On the DLM Alternates tab, a series of focused support videos will be available to support tasks associated with preparing for and administering the DLM ELA/math Assessment.

For links to DLM ELA/math general and test security resources, visit the [DLM ELA/math page](#) of the OPI State Testing website.

## DLM Alternate Science Assessment (DLM Science)

*The DLM Science is the alternate science assessment for academic achievement reporting in Grades 5, 8, and 11 for students with significant cognitive disabilities.*

**The DLM Science Window is open and runs through May 15, 2026.**

- ✓ **DLM Science will be receiving an overhaul before the next administration window** to more easily access and monitor in the same manner as ELA/Mathematics. Currently, Science is only accessible through "Test Management" in the Educator Portal – in future administrations, it will be available in the Instructional and Assessment Planner Tool as ELA/Mathematics are currently managed.
- ✓ **Individual Score Reports will not be provided for DLM Alternate Science this year** as DLM is transitioning into alignment and placement within the assessment itself. Results will be available when state data is released in the fall for districts to review. Testlet results will be utilized for statewide accountability and reporting.

## DLM Science Timely Task Resources

<a href="#">Dynamic Learning Maps (DLM) Information</a>	Review the background of how this assessment was built and how it works.
<a href="#">Montana DLM State Page</a>	Explore Montana's specific state page for information on the assessment and resources to assist Special Education Teachers, STCs, and Test Administrators.
<a href="#">MontCAS Stay Informed &amp; Find Support</a>	On the DLM Alternates tab, a series of focused support videos will be available to support tasks associated with preparing for and administering the DLM ELA/math Assessment.

For links to DLM Science general and test security resources, visit the [DLM Science page](#) of the OPI State Testing

## National Assessment of Educational Progress (NAEP)

*The NAEP assessment is administered ONLY in selected schools to students in mathematics and reading in Grades 4, 8, and 12. Participation is required under the Every Student Succeeds Act for any district receiving Title 1 funding.*

[National Assessment of Educational Progress](#) (NAEP) is a congressionally mandated program administered by the [National Center for Education Statistics](#) (NCES) within the U.S. Department of Education. The [National Assessment Governing Board](#) (NAGB) oversees and sets policy for NAEP.

The NAEP is always recruiting retired educators to help administer student assessments for grades 4, 8, and 12. This is a great opportunity to stay connected to education and support schools using your professional expertise. NAEP values the expertise that educators bring – no one understands school environments better. Assessment Administrators (AAs) receive paid time as well as mileage reimbursement for local travel between home and selected schools. The next administration cycle is January through March 2028, with training beginning in November 2027. NAEP is collecting contact information of interested individuals at <https://www.workNAEP.com>. For more information, visit [NAEP is hiring](#) or contact Shantel Niederstadt, NAEP State Coordinator at [sniederstadt@mt.gov](mailto:sniederstadt@mt.gov) or 444-3450.

## NAEP Timely Task Resources:

<a href="#">NAEP State Assessment Sample Design FAQs</a>	These are frequently asked questions about the NAEP state assessment sample design.
<a href="#">Selecting Schools for Participation in State-Level NAEP</a>	This document provides steps used to select a sample of public schools and students.
<a href="#">An Overview of NAEP</a>	Here is an overview of the NAEP program complete with definitions, descriptions, and examples of NAEP items.
<a href="#">OPI's NAEP Webpage</a>	This site provides up-to-date information about NAEP News, communications, focused support videos, Montana results, responsibilities and resources, and FAQs.

For links to NAEP general resources, visit the [NAEP page](#) of the OPI State Testing website.

## Assessment Updates

### Enhance Student Test Preparation with MTDA's EdReady Program at No-Cost This Spring

The spring MAST and ACT testing windows are a critical time for Montana students. EdReady Montana offers teaching resources and specialized middle school level MAST math goals and ACT prep math and English goals designed to help students improve their scores and college readiness. With EdReady, you also get the no cost assistance of a dedicated team of Montana educators at MTDA to help set your school, teachers and students up for success!

Don't wait! Reach out to [support@mtda.org](mailto:support@mtda.org) today to set up an informational meeting and get started!

## Training Opportunities

Training Opportunities for the 2025-2026 school year are included below. System Test Coordinators can place these on calendars to save the date and bookmark support webpages.

### MAST Support

Schedule a virtual 1:1 session with the OPI Assessment Unit to explore a variety of MAST Topics such as scheduling MAST testlets, accessing and interpreting MAST score reports, and more. [Select a time – Calendly.](#)

### OPI Assessment Focused Support Videos Series

The OPI Assessment Unit maintains a series of Focused Support Videos. These short videos are posted on the [Stay Informed & Find Support](#) page of the [Statewide Assessment webpages](#). Most of the videos are under 10 minutes and will provide support for all statewide assessments.

Watch for videos to be added and/or updated throughout the school year as we progress through the before, during, and after testing phases.

If you are looking for support and don't see it in the assessment program accordions, reach out to the [OPI Assessment Help Desk](#) (or 844.867.2569) for further assistance.

## Federal and State Requirements

### What are the requirements for accountability this year ESEA-ESSA Section 1111(c)?

- All accountability and school identification requirements are in effect.
- Data from this year's state assessments will be used within the OPI's accountability process for annual meaningful differentiation of schools.
- **Participant** = must have **(1)** a valid score and be **(2)** assigned a proficiency level (see 34 CFR 200.2(a)(b)(1)(i)). All students, including students with disabilities are required by state and federal law to take part in the OPI's state

assessments with or without accommodations. All students are expected to take part in state assessments in one of three ways:

- Participate in the general education assessments without accommodations.
  - Participate in the general education assessments with accommodations.
  - Participate in [Alternate Assessments](#) when the participation criteria are met.
- To see a list of schools who were previously identified for targeted and comprehensive status, visit the [OPI's ESSA Information and Documents Page](#). The federal accountability process for school identification using the 2021-2022 state assessment data is planned to commence this Fall.

### What are the requirements for reporting this year ESEA-ESSA Section 1111(h)?

- Any instances where it was unsafe for a student to participate in the state assessment for medical reasons must be reported to the OPI using the "Medical Exemption" policy as defined within the [MontCAS Policies and Procedures for Participation in State Assessments](#).

### What does participation and non-participation mean for state assessments?

Participation is necessary to ensure the data are representative and reflective of the population. When participation rates fall below the state and federal requirements, bias can be introduced into the student knowledge, skill, and ability estimates, thus reducing the overall confidence we have in the data and ultimately interfering with the inferences that can be made about student achievement.

- In Montana, there is no "opt out" law, and both state law and accreditation rules require all students in public and accredited non-public schools to participate in state testing.
- The OPI recognizes there are circumstances beyond the control of the school that may result in non-participation. In those rare cases, the district must report the reason for non-participation to the OPI using the [MontCAS Application](#).
- The figure on participation below is used to show how the calculation is made for participation rates for a school which is displayed on the [Montana ESSA Report Card](#) and within the accountability differentiation process.
  - Per the OPI's policies and federal reporting, only students with "medical exemptions" can be removed from the denominator, meaning all other instances of non-participation (or absence) impact the school's participation rate.
  - The state factors the requirement for 95 percent student participation in mathematics and reading/language arts assessments into the statewide accountability system. Students who meet participation requirements and who do not test are assigned a score of "Novice" and designated as a non-participant for accountability purposes (see [ESSA State Plan](#), [MontCAS Policies and Procedures for Participation in State Assessments](#), and [Six Things Stakeholders Should Know about Participation and Testing in Montana](#)).

**Eligible Student Population** = All students enrolled during the testing window whether or not they were present for the full academic year except students who did not participate in the assessments due to significant medical emergencies (34 CFR 200.2(a)(b)(1)(i)).

**Non-Participant** = Did not participate. This is a student who was expected to test but did not for whatever reason and their non-participation status will count negatively against the school's participation rate (e.g., parent refusal).

**Reporting Requirement:** Montana school districts are required to provide parents/guardians with individual student reports in a timely manner. To understand and address the specific academic needs of students, it is required under state and federal law to provide individual student interpretive, descriptive, and diagnostic reports regarding achievement. This allows families, teachers, and other school leaders to address individual student needs regarding student proficiency and progress as soon as is practicable after the assessment is given. Family resources and sample letters can be found on the [Parent Corner page](#)

**Federal Requirement:** provide timely individual student reports to parents, teachers, and principals and include the results on local report cards ([ESSA Section 1111](#)).

**State Requirement:** statewide assessment public results must include a clear statement of the purpose, subject areas assessed, description of proficiency levels, and the percentage of students who participated in the assessments ([ARM 10.56.105\(2\)](#) and [§20-7-104, MCA](#)). School districts must also place individual student reports in the student's cumulative file per [ARM 10.55.909](#).

## OPI's Recommended Roles and Responsibilities

<b>Authorized Representative Role:</b>	<p>The individual designated to comply and/or enforce activities in connection with federal legal requirements (see <a href="#">34 CFR §99.3</a>). Authorized Representatives appoint STCs as the single point of contact for all assessment-related matters and testing alerts within the school system.</p> <ul style="list-style-type: none"> <li>Authorized Representatives must confirm STC designation within Infinite Campus each year. Check the <a href="#">OPI AIM Unit webpage</a> for data collection deadlines and guidance.</li> </ul>
<b>System Test Coordinator Role:</b>	<p>This role serves as the data steward for managing local users within the restricted web-based <a href="#">TDS portals</a> used to deliver each test. This role also serves as the local liaison for all standardized testing procedures (i.e., proctoring, safeguarding, securing, and reporting state test information) and ensuring staff are trained and certified to administer state assessments.</p> <ul style="list-style-type: none"> <li>STCs must sign the electronic test security agreement and the testing plan assurances in the <a href="#">MontCAS Application</a> by the dates specified in the "<a href="#">MontCAS Test Security Collection Schedule</a>".</li> </ul>
<b>Building Coordinator Role:</b>	<p>Assigned by the AR and/or STC and is typically a licensed non-instructional person such as principals, vice principals, counselors, or other staff members. This person coordinates state assessments in the school building.</p> <ul style="list-style-type: none"> <li>All staff with test delivery portal accounts for statewide assessments will be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.</li> </ul>
<b>Test Administrator Role:</b>	<p>This person is assigned by the STC and/or BC and is a licensed educator such as a classroom teacher. The OPI further recommends that the Test Administrator is familiar to the students, so students feel more comfortable in the testing environment. TAs follow and administer the tests in accordance with the assessment-specific Test Administration Manuals.</p> <ul style="list-style-type: none"> <li>All staff with test delivery portal accounts for statewide assessments will be required to sign an electronic TSA or non-disclosure agreement (NDA) to gain access to the online test administration and reporting sites.</li> </ul>
<b>Technology Coordinator Role:</b>	<p>This person ensures the secure browser is installed properly to administer the online assessments via the test delivery systems and that all system setup and requirements have been completed before testing. More information about these roles can be found in the <a href="#">MontCAS Test Security Manual</a>.</p>

## OPI Assessment Unit Mission Statement

1. **Mentor** schools through the local roles and responsibilities related to administering state assessments in compliance with federal and state law.
2. **Foster** critical partnerships with stakeholders to build strong local assessment and data practices.
3. **Measure** student participation, proficiency, and progress on state content standards over time and help monitor and address educational needs for all learners.
4. **Provide** meaningful, timely, accurate, understandable, and transparent information to the public and families on achievement indicators and to support education information processes at the local and state level.
5. **Help** the public understand performance on achievement indicators and inequities across schools, so all students have equitable opportunities to access high-quality education.
6. **Advance** teaching and learning through the implementation of balanced systems and continuous improvement processes.
7. **Offer** high-quality technical assistance and professional learning to support test administration and implementation of equitable balanced assessment systems.
8. **Pursue** excellence using the highest professional and technical standards for evidence-based practices and data-driven decision-making.

### **Accommodation statement for publications**

The OPI is committed to providing reasonable accommodations to people with disabilities. If you need a reasonable accommodation, require an alternate format, or have questions concerning accessibility, contact the OPI ADA Coordinator, 406-444-3161, [opiada@mt.gov](mailto:opiada@mt.gov), or call 711 for assistance.

### **Nondiscrimination statement**

The Office of Public Instruction does not discriminate based on race, color, national origin, sex, disability, marital status, religion, creed, pregnancy, childbirth, sexual orientation, gender identity or expression, political beliefs, genetic information, military service or veteran's status, culture, social origin or condition, ancestry, or age in its programs and activities. The following person has been designated to handle inquiries regarding nondiscrimination policies:

Human Resource Manager  
406-444-2673
