

**ERIKA**  
**LEMBKE**

MON./TUES. FEATURED SESSIONS:

***Data-Based Individualization in Mathematics***

***The Early Writing Project***

Dr. Erica Lembke is a Professor in the Department of Special Education at the University of Missouri. Dr. Lembke came to Mizzou in 2003 following completion of her PhD at the University of Minnesota and this is her 20th year in the college. She has served in administrative roles in the College that include 5 years as Department Chair and 1.5 years as interim Dean. Prior to pursuing her doctorate, Dr. Lembke was a special education teacher and Title I reading teacher for 6 years. Her research interests include data-based decision making, assessment and intervention for students at risk and with disabilities and their teachers, and her current federally funded grants are directed towards teacher and school professional learning.
