STATE OF MONTANA

Putting Montana Students First **A+**

Montana 21st Century Community Learning Centers (21st CCLC)

In response to federal regulations, effective July 1, 2018, the Montana Office of Public Instruction will not allow program income to be generated for 21st Century Community Learning Center Programs and the students served within the program.

This does not prevent community organizations who receive 21st CCLC funds from generating income or charging for fees for other programs that they administer. Rather, it requires a clear delineation in budgeting between 21st CCLC Programs, from which no revenue may be generated, and other programs, from which revenue may.

If you have general questions regarding the 21st CCLC program, please contact Tracy Moseman at tmoseman@mt.gov or (406) 444-3000.
