Home-Based Early Literacy

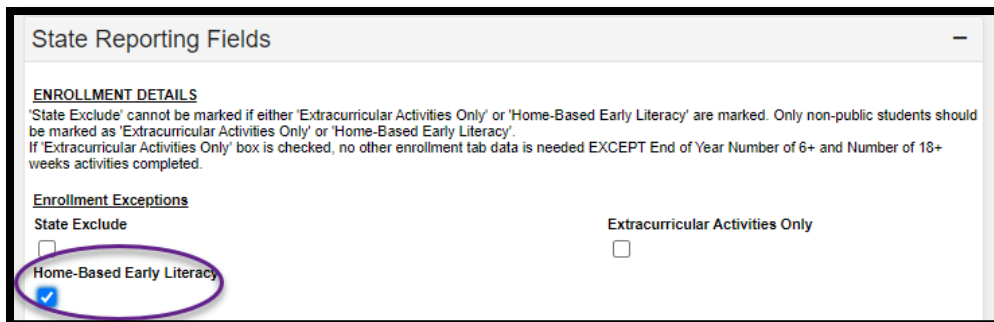

The home-based intervention program is designed to foster parental engagement and develop early literacy skills in students at risk of not being proficient in reading by the end of 3rd grade. The OPI and BPE have completed the request for proposal (RFP) process and have selected Waterford as the provider of the home-based intervention program.

Program Requirements

- Eligible child who is 4 years of age or older on or before September 10, and not yet completed 2nd grade.
- Program must be research-based and proven effective at developing early literacy skills in populations at risk of not being reading proficient at the end of 3rd grade.
- Access/license provided to school districts on a first-come, first-served basis.
- Programming contract has been awarded to Waterford.

Infinite Campus Requirements

1. The child must have an early literacy eligibility record for the current school year.
2. A separate calendar must be created for the home-based early literacy enrollments.
3. Each child in the program must have an enrollment in the home-based calendar with a grade level of **PK-2** and an **S: Partial** service type.
 - The Start Status must be **09: Transfer from home school within the state** for all students, even if the student attends public or private school.
 - Check the box **Home-Based Early Literacy** in the enrollment (much like Extracurricular).
4. Home-Based Early Literacy has no ANB eligibility (program is paid from another source).

The screenshot shows a web form titled "State Reporting Fields". Under the "ENROLLMENT DETAILS" section, there is a note: "State Exclude cannot be marked if either 'Extracurricular Activities Only' or 'Home-Based Early Literacy' are marked. Only non-public students should be marked as 'Extracurricular Activities Only' or 'Home-Based Early Literacy'. If 'Extracurricular Activities Only' box is checked, no other enrollment tab data is needed EXCEPT End of Year Number of 6+ and Number of 18+ weeks activities completed." Below this, under "Enrollment Exceptions", there are two checkboxes: "State Exclude" (unchecked) and "Extracurricular Activities Only" (unchecked). The "Home-Based Early Literacy" checkbox is checked and circled in purple.
