

New CTE Professionals Hybrid Workshop 2022

A free professional development event with two virtual sessions and one in-person session.

FREE • TWO • ONE

September 20 • October 11 • October 19

Workshop Information

The Office of Public Instruction's Career, Technical, & Adult Education unit invites all new Montana Career & Technical Education (CTE) professionals to participate in a **FREE** hybrid professional learning experience. The hybrid 2022 workshop will include two (2) virtual afternoon sessions—September 20 and October 11—and one (1) live, in-person, afternoon session in Billings at the Billings Hotel & Convention Center on Wednesday, October 19. The two virtual sessions will be conducted using Zoom.

The New CTE Professionals Hybrid Workshop 2022 offers early-career professionals—those new to the classroom, as well as those with five years or less of experience—the ability to develop essential knowledge and skills for success in the classroom and in the Career & Technical Education teaching profession. Individuals who have participated in the past are also invited to participate again. Participants will also discover leadership and professional growth opportunities available for themselves and their students.

Montana's CTE Specialists have designed the workshop to focus on fundamentals of Career & Technical Education, federal- and state-level funding, professional organizations, curriculum resources, program standards and guidelines, marketing career and technical education, advising Career & Technical Student Organizations (CTSOs), and advanced learning opportunities for CTE students through dual enrollment and work-based learning.

Workshop attendees are strongly encouraged to participate in all sessions. The virtual sessions listed below will include smaller breakout groups to allow for conversations. Please go to bit.ly/NewCTE2022 to register.

Registration

To participate in the New CTE Professionals Hybrid Workshop 2022, register at bit.ly/NewCTE2022. The links for the Zoom sessions will be sent to the email address submitted via registration. Registrants will receive a packet of materials onsite in Billings on Wednesday, October 19. To be included in the materials count, please submit workshop registration by the end of the day on Monday, September 19, 2022. Please note, materials cannot be guaranteed for registrations received after September 19.

Up to seven (7) OPI Renewal Units will be available. Questions regarding the workshop or registration can be directed to Business Education Special Eric Swenson at eswenson@mt.gov or contact your CTE Program Specialist.
