PURPOSE OF THE ANNUAL COUNT

- To accurately identify the number of eligible children and youth who are neglected and delinquent – U.S. Department of Education (USED) uses the data from the annual count to determine the funding that is provided to the state for Title I, A Neglected and Title I, D Subpart 2.
- To allocate funding to eligible programs and eligible children and youth with the greatest need – The Montana Office of Public Instruction (OPI) then awards subgrants to districts with children and youth in locally operated juvenile neglected and delinquent facilities.

ANNUAL COUNT PROCESS

1. Determine eligible districts
2. Determine eligible facilities
3. Determine eligible students

DEFINITIONS

- An eligible neglected facility is a public or private residential facility, other than a foster home, that is operated primarily for the care of children and youth who have been committed to the institution or voluntarily placed in the institution under applicable state law **due to abandonment, neglect, or death of their parents or guardians.**
- An eligible delinquent facility is a public or private residential facility, other than a foster home, that is operated primarily for the care of children and youth who have been **adjudicated to be delinquent or in need of supervision.**

A COUPLE REMINDERS

- A facility must designate if it is a neglected OR delinquent facility; it cannot be both.
- The facility determinations have been made for the 2019- 20 school year.
- Facility designations should be consistent from year to year.
- The facility's license can help in determining the type of facility.

QUESTIONS TO CONSIDER

- What is the purpose of the facility?
- How are students placed at the facility?
- Are they placed by DPPHS or the courts for being neglected or delinquent?
- Are the majority of children served neglected or delinquent?

COUNTING

- Any eligible student who resides in the facility for at least one day during the 30-day count window should be counted.
- This is a **duplicated** count, which means that if students exit and reenter during the window, they are counted **twice**.
- All students are counted for each facility regardless of student designation (i.e., neglected or delinquent).
- **Count window: Oct. 1-Oct. 30 of the current year**
